

The Connected Coach Framework

A Revolutionary New Business Model for Professional Coaches

CoachVille Podcast Episode #7
Observation-Conversation Loops

With Coach Dave Buck

Profound Relating Is...

So amazing!

Really challenging

Requires: authenticity,
transparency, energy,
caring, **LOVE**

2-way partnership

Reflect on Profound Relating!

Not good enough

Humans are amazingly good
at relating!

And not nearly good enough
for the challenges we are
facing in the world!

Know what results are....

Something happens in the (your) world...
as a result of your actions.

NOT completing a task or project

NOT information transfer

Becoming always precedes new results

Profound Personal Relationship

The Observation / Conversation Loop

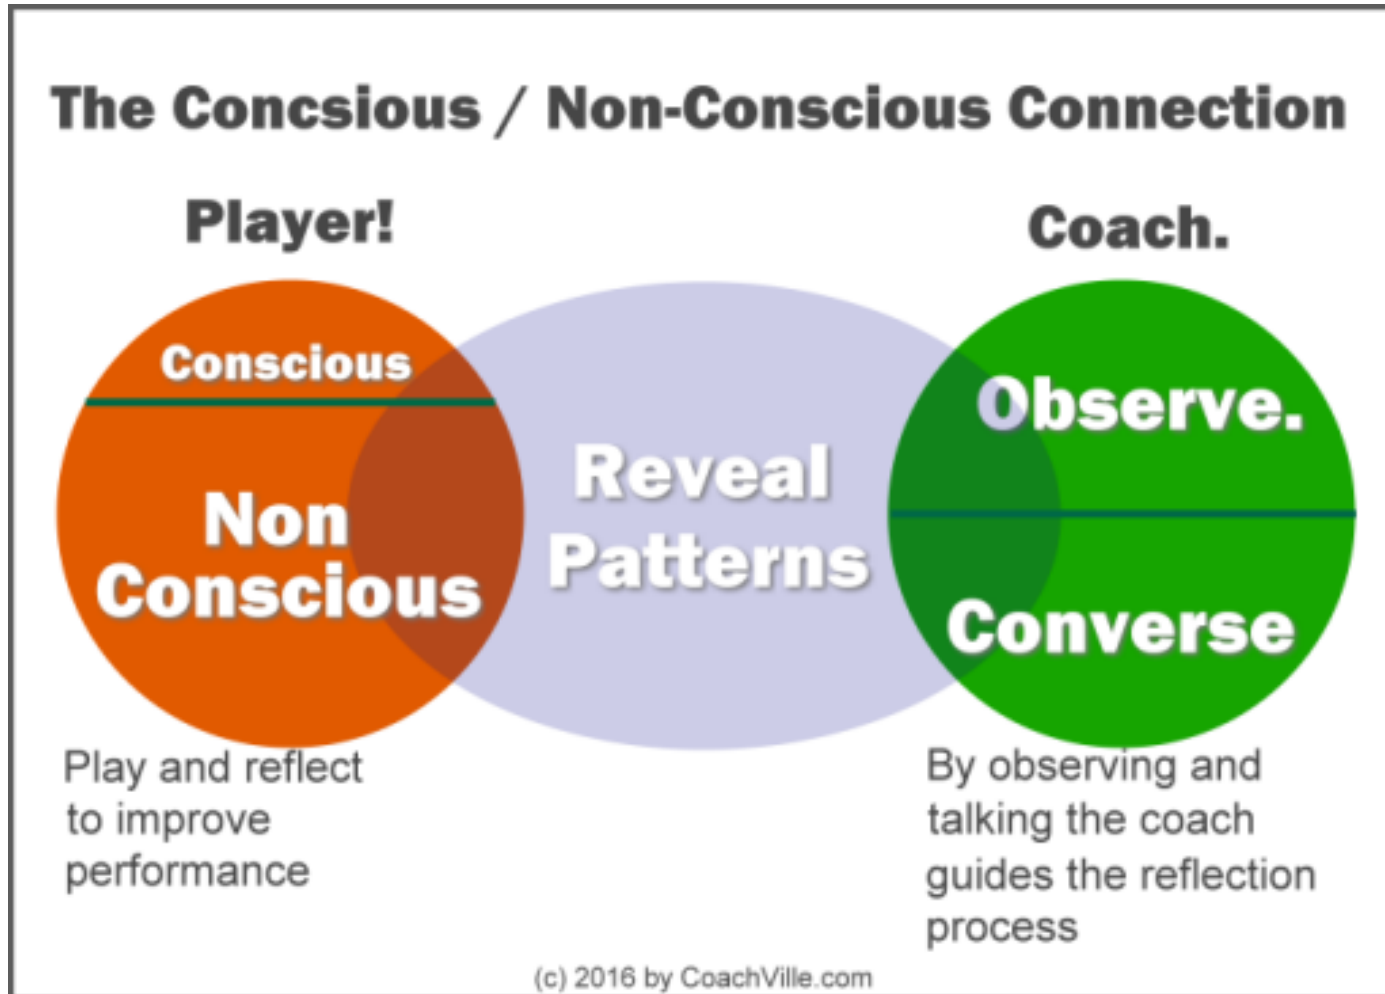

PLAY!

- Creative self-expression
- Infinite unique ways to create the desired results
- **Playing better is about expanding influence in pursuit of results.**
- Playing is a path of mastery (NOT perfection)

The Observation / Conversation Loop

- Get out of “project manager” mode
- Find LOTS of creative ways to OBSERVE your player play!
- Guide the reflection process in pursuit of playing better and creating better results (winning).

Play Reveals Patterns

Life is played by relating!!!

Great Coaching Will TRANSFORM Our World @CoachVille
