

Game Changer Mission 2: Live the Game (Power Up)

THRIVE! As a Professional Coach Playbook

“Bring the PLAYER mentality to every aspect of your life!” - Coach Dave

Quick Summary:

The THRIVE game has many elements where you can share about playing your business game AND growing as a business person.

The Game Changer element is a place to share about your experiences of playing and growing in the rest of your life!

This play sheet also contains an overview of the components of the game so you know where to share as you are playing!

Quick Outline

1. Play Everywhere!
2. Overview of the THRIVE! Game Elements

1) Play Everywhere

Learning to play business as a compelling and growth oriented game is the essence of the THRIVE!

An important part of learning to play business is the ability to bring the spirit of play to all areas of your life; anything that you cannot control BUT you can influence with skill, energy, game planning and attitude etc. is an opportunity to play.

The Game Changer element on the game card provides a place for you to share about the games of your life outside of your business activities!

The **POWER UP** for this Playsheet

The **POWER UP** for this playsheet is to simply share a few areas of your life where you are going to explore and experiment with the Spirit of Play!

	<p>Click through to your game card. Look for the Power Up section (Find the Red Button with the Rocket!)</p> <p>Find the Game Changer badge. You will see the game card description...</p> <div data-bbox="440 1612 634 1808"></div> <p>GAME CHANGER: Here are a few areas in my life (besides business) where I will explore the Spirit of Play...</p> <div data-bbox="1214 1692 1263 1745"></div> <p>Click on the SHARE button in the right column. Finish this statement on your game card by sharing a few thoughts; then click the SAVE button.</p>

Game Badge Overview

Here is a quick overview of the game badges that you will play for in the THRIVE Game! A high level view of some of the activities is listed as well. FUN!

Game Badge	 Power Up	 Game Action	 Big Win
	GAME CHANGER: This is where you share about the games of your life OTHER than your business game. Practice Play Everywhere!	Share your experiences of seeing and playing your life as a game.	Share your experiences of creating the results you desire in the games of your life (other than business).
	Contribution Attend class, listen to recordings and share your highlights and insights; participate in various ways.	Share about CoachVille Coach training programs with someone who could benefit from it. WE NEED YOU!	The big win here is when someone follows your lead and joins CoachVille. THANKS!
	Business Model: Clarify your YOUNique method for recruiting, committing to and coaching your players, allies and advocates.	Activities where you experiment with your business model and methods; Share learnings about your methods.	The WIN is when you experiment with one of your methods and get a new and better result.
	Super Powers: Using your business model as a base identify the qualities that make you a YOUNique force in the world for good	When you play the game actions in your business model and discover and share something about your superpowers or your fears. OWN IT!	N/A
	RECRUIT: Recruiting players, allies and advocates is essential to your success; Shared purpose is the unifying force.	Find and attract potential players and allies and engage with them mostly about shared purpose. Invite them into the commitment phase.	When a potential player says: “YES, let’s explore the possibility of coaching together”; or a potential ally moves closer to participation
	COMMIT: This is the enrollment phase of your business; where you and your players choose each other and settle the terms of the relationship.	Conversations with players in pursuit of “YES, I want you to be my coach”; this includes clear objectives and \$ investment.	When a player says “YES” and organizes payment, this is the BIG win.
	Coaching Super Powers: Activities to improve your coaching ability or clarify your ALL IN Coaching Method.	Engage in coaching conversations or connections with your players and share what you learned. OWN your learning and value!	When your player gives a “Thanks, Coach” note to you in a Social Space THIS is the REALLY BIG WIN
