Be the Spirit of Play!

The THRIVE game is all about BEING a coach in the world. A coach that is seen and known as “Coach” by the people of your tribe. To get to this place of distinction you have OOOZE the energy that you LOVE the game of life. You can do this OOOZE in your own way of course, but there can be no mistaking your love for the game AND the pursuit of greatness.

1) BE Play.

To BE Play means that you are creative, resourceful and resilient. It means you are willing to make mistakes, fail and learn really fast. It means you are willing to explore and experiment.

The other aspect of BEING a Coach is a consistent focus on the pursuit of greatness. You can always play better. Everyone can always play better. You are will to see and discuss the next level with anyone.
