

TEAM Mission 1: Play Together (Big Win)

THRIVE! As a Professional Coach Playbook

“When your team mate wins. You win.”
- Coach Dave

Quick Summary:

The BIG win for this game element is when your team mate experiences a BIG WIN in their game. Share in the celebration. Give a virtual “High Five” and score a few points on your game card.

1) We win together

Business is a really tough game! Most people who set out to play the game will fail. But In THRIVE!, we are playing for EVERY player to reach a new level of financial success in their coaching business and win on their own terms.

The game demands that you play out of your comfort zone a lot. The game demands that you step on the field every day and often you will fail. That’s the way the business game is. BUT if you keep stepping out on the field and learn FAST you will start to win.

And now it is starting to happen for them. They did it! You were “the voice of the game” for your team mate and something good came of it! When your team mates create a win.. take it in. OWN that you contributed to it. Know that your win is just around the corner. Let their success be a call for you to step up your game.
