

TEAM Mission 1: Play Together (Power Up)

THRIVE! As a Professional Coach Playbook

“Together We Play Better” - Coach Dave

Quick Summary:

Resistance – the play safe team - is a powerful force in our lives. Sometimes the only thing that can get us out to the field to play is a commitment of a team mate to be there with us.

Together we remind each other that THRIVE is an adventure game and the world is a wondrous field to play in. As a team mate, YOU are “the voice of the game”.

S

1) Be a TEAM

Here is what you need to do with your team mates every week:

- 1) Know when they are going to be in the game ready to play each day
- 2) Know what they are playing for (their intent)
- 3) Be there to support them getting on the field and CHALLENGE them if they start to waver.
- 4) Explore what happened in the game. ASK questions. Notice patterns. Together we learn 10X faster.
- 5) Be “the voice of the game” for your team mates. Remind them to play with intent.

The **POWER UP** for this Playsheet

The **POWER UP** for this playsheet is to make a plan with one or more team mates to support AND CHALLENGE each other. ASK each other to “Be the voice of the game”; to share what you are seeing.
