

02 – Everyone Wants More Life – Power Up Pursuit of Greatness Game

In game item #02 you will explore the Prelude Pages of the Coaching Super Powers book. Pages 9-14

- The Big Truth: we all want MORE of the juicy experiences of life. To get them, we must first BECOME more of the greatness within us.
- A 3-Step Plan for your life as a coach
- Overview of Section 1: The Pursuit of Greatness

To **POWER UP**, share your thoughts about your BIG Dream as a Coach.

Also please share your comments, insights or questions about the book content and audio.

We all want more of the juicy experiences of life. Industrial Age life was designed to be repetitive and SAFE. Now we are yearning for more out of life. And we can have it! BUT, we need to let go of the safe monotony of the Industrial Age and take the risk to play again! To experience MORE life, you need to BE more of the Super Powers you were born to express.

There is a simple 3-step plan for your life as a Coach! Simple, but definitely not easy, and not boring! First you become a Coach Approach Leader. Then you can become a Professional Coach if that calls to you; probably starting out as a side-hustle. Step 3 – if you play really BIG – is to create a coaching ecosystem.

The exciting thing is that you are playing the Pursuit of Greatness game right now by reading this Power Up playsheet!

I look forward to reading your thoughts about the ideas in the Prelude.
