Abera Ca Dabera = I Create As I Speak. How cool is that? This iconic phrase used by magicians actually reveals the hidden power of human spoken communication. Through life-changing conversations you can take the game of your life... and every game you play... to the next level of awesomeness.

Thomas Leonard said that Engaging in Provocative Conversations is Coaching Proficiency #1. To be provocative a conversation must be both personal and BIG. Look forward to tomorrow's audio because you will get to hear Thomas talking about Provocative Conversations! Really fun.

Your Inner Circle is essential to your success in ANY endeavor but especially coaching because life is NOT a game of solitaire. The pursuit of greatness starts at "home" so make sure the people you care about have the opportunity to grow WITH you.

I look forward to reading your thoughts about the ideas about Section 1
