Be Yourself... ah, there is an interesting challenge! So much of life in the Industrial Age has taught us to try to suppress our YOUnique selves. This is why Life Coaching... and ALL coaching... is so valuable. When you engage in life with the Spirit of Play, your true self will emerge.

As a coach for someone, in ANY endeavor, you will be like a guide on a quest back to their true self and a play filled life. First, you will start finding your way back to YOUR true self so that you can be that beacon of light for others on the quest.
