

## So – you want to see **YOUR** name and **YOUR** class listed at Teleclass.com? No Problem!

This short document will give you all the information you need to complete the requirements for being named an Instructor at Teleclass.com. You can complete these simple minimum requirements quickly and be on your way or take a bit more time and enjoy the full Teleclass Leaders training before you post your first class.

Teleclass Leaders Training is offered through [www.CoachVille.com](http://www.CoachVille.com) (CoachVille LLC.) It is an extensive and masterfully crafted program which will facilitate you becoming an amazing and very successful Teleclass Leader.

It teaches Teleclass Leading technique, marketing and how to use leading Teleclasses to build a successful business - Everything in one dynamic package.

You can take Module 1 only and be eligible to list your classes at Teleclass.com OR take the entire program and become really masterful at this cutting edge craft.

Each Module is offered as both a live interactive program of, what else, Teleclasses. Each live Teleclass Module includes the supporting eCourse at no additional charge. eCourses are recordings of previous classes and learning handouts for you to keep to review long after the actual program is over. It's like getting the course and a refresher course for later too – WOW!

You can also take the Modules via the eCourse alone. Simple 24 hour access via the audio files and printable handouts makes for a program easy to fit into your lifestyle.

Remember – Module 1 is required to become a Teleclass.com Instructor but we suggest you do the whole program for the biggest impact to your skill and business growth too.
