Instructions for your Letters of Reference

In the simplification of our certification process we have aligned our letter of recommendation requirements with those of the ICF - this will allow seamless submission of your ICF application should you choose to submit to ICF for their certification process.

When you complete a practicum that scores at the ACC or above level you should request a letter of recommendation from your practicum coach, if you only scored one at ACC level you will need to secure another letter of recommendation from either a CoachVille instructor or a ICF - PCC/MCC credentialed coach who has heard you coach at the PCC level.

Student must submit 2 letters of reference. Each reference letter must:

- Be dated within 12 months of the date that you submit your application
- Be written on the referring coach's stationery or come from his/her email address.
- Come from a coach who is certified at the PCC/MCC level who has actually heard or observed you coaching.
- State that the coach has hear or observed you coaching.
- Contain a statement by the coach that he/she believes you coach at the ACClevel.
- Contain a statement by the coach that he/she recommends you for the ACC credential.
- Come from a qualified coach who holds the PCC or MCC credential.

CoachVille Submission

Please follow the instructions above for submitting your entire Certification package.
