

Quick Summary:

BIG Idea: You have incredible YOUNique value! The question is are you boldly and freely sharing it with the people in your world? The idea here is to give the gift of YOU this holiday season! Think 5th grader doing something creative for or with your mom on Mothers Day! Create an experience with someone. Share an opportunity. Teach someone something. Write a poem. Make a video. Be creative and have fun.

Capture Gift of YOU Power: Use the YOUNique Value diagram and chart to make a quick assessment of your YOUNique assets. You may have done this assessment in the past from a “business” point of view. This time think “Personal”. Think of your quirky talents; knowledge, community, nearby places you love.

Next plan 12 YOUNique Gifts of You. (no one really wants “Lords a Leaping” anyway!) Be Bold! Push your comfort zone. The recipient can be one person or a group of people. Share your thoughts about doing this on your game card.

Game Action: Give the gift! Deliver it in person if possible. But if not try to find some way to be WITH them during or after the delivery or co-creation. Snap a photo if possible. Share about the experience on your game card and upload that photo if you have one.

BIG WIN: The BIG WIN in Gift of YOU power is... “Wow! Thanks”, from the person you shared the gift with. Some will. Some won’t. It’s ok either way. It’s a big win when they do. The key is: Don’t expect it. Be surprised. Share your experiences on your game card.

2) Sharing is fun – Part of the joy of having anything is the opportunity to share it with others. This is what you are doing when you give the “Gift of YOU” to others. Enjoy it!

How this makes you a better coach

1) Being creative and BOLD about sharing your YOUNique gifts is the ultimate in authenticity. And authenticity is essential to masterful coaching – it is the core of Coaching Skill #4 Coaching Presence.

2) Finding fun and creative ways to give the GIFT OF YOU will cause you to “Enter New Territories” (Coaching Proficiency #12) Doing this yourself makes it a LOT easier to challenge your players to do the same!

2) Plan your 12 Gifts of You

The YOUNique Value assessment is a powerful exercise for expanding your possibilities in how you add value to the lives of others. Typically when we do an assessment like this we tend to focus only on things we perceive as having economic value. For the Gift of YOU challenge we want you to think more broadly... WAY more broadly. Consider the things you KNOW that others find valuable but also consider your quirky talents! **Scan the 9 areas quickly and then put some ideas on the chart – do this fast and then you can add to it later.**
