

CoachVille Partner Program FAQ

With Coach Molly Rider

What Are The Partner Program Bonuses

- When you refer someone to a particular CoachVille class or program AND they sign up, **you receive 20% commission!** Woo Hoo!
 - For example, if you enroll a new student in the Center for Coaching Mastery Complete Cert. Program (\$5,480) you'll receive \$1,096.00!!
 - If a student you've referred to CoachVille, then refers another student, **you earn 5%** on ANY purchase that new student makes. (This is also known as a tier system)
 - **Important Note:** This can be a fantastic tool for you if you know a big company or public figure who would be interested in recommending CoachVille to their employees or following.
 - Why? Because the company or public figure will earn 20% commission on any sign ups AND, as a special bonus for making the connection, you earn **5% commission** on any of their sign ups.
-

Can I Give Away My 20% As A Discount?

- YES!
 - By becoming a CoachVille Partner you also have the opportunity to turn your 20% commission into a special, one time discount for new students you enroll.
 - For example, if you enroll a new student in the Center for Coaching Mastery Complete Certification Program they'll receive your \$1096.00 off the tuition bill. Woo Hoo!
 - Important Note: By giving away your 20% commission as a discount you will NOT receive any payment.
-

How Do I Ensure Receiving Credit?

- The simplest way is to make sure you send the prospective student to the correct class page using your affiliate link.
 - However, to be proactive (which, as Thomas would say, better to be in a place of over-responding!), you will want:
 - First, be sure they have named you as their referee when signing up for the free membership
 - Second, email Partner Program Manager, Molly Rider at: CoachMolly@CoachVille.com - even just to say, "Be on the look out for so-and-so's class sign up. I recommended them."
-

How Long Do I Have To Claim A New Student?

- You have until the 14th of the month to claim a new student after they've enrolled in a class.
 - To claim a new student, (that is not appearing on your transactions tab) you MUST send Partner Program Manager, Molly Rider an email BEFORE the 14th of the month at: coachmolly@coachville.com
 - **IMPORTANT NOTE:** After the 14th of the month, if you have not claimed your referee you will lose claim to any commission.
-

How Do I Know If I've Correctly Claimed A New Student?

- Log into the CoachVille Partner Program
- Click on: "Review Your Transactions"
- See image below:

The screenshot shows the CoachVille Partner Program interface. At the top, there is a navigation bar with tabs: Partner Details, Recommended Programs, Partner Links & Logos, Tools, Transactions, and Payment History. The 'Transactions' tab is selected. Below the navigation bar, there is a section titled 'View Transactions by Date' with two date input fields: 'Start Date *' set to '2013-09-15' and 'End Date *' set to '2013-10-15'. A 'Filter' button is located below these fields. To the right of the date filter section, there is an 'Export' button. Below the 'Export' button, there is a table header with the following columns: Transaction Date, Member Name, Section Name, Payment Amount, Transaction Type, Connector, Referred By, Coach, Content Creator, Enroller, and Total for Partner. Three black arrows are overlaid on the image: one points from the 'Transactions' tab to the date filter section, another points from the date filter section to the 'Export' button, and a third points from the 'Export' button to the table header.
