ICF Certification: Portfolio Application for ICF - ACC – Additional Requirements

These additional items are for independent certification through the ICF- it is not a CoachVille requirement and is provided for your information only. Go to the www.coachfederation.org website for more information and to apply.

1. Complete and log 100 hours (at least 75 must be paid hours) with a minimum of 8 clients for Associate Certified Coach (ACC). You can and should be coaching regularly and documenting these hours while you are attending school rather than waiting until after you graduate, to make it easier to meet this requirement.

Paid hours – defined by the ICF - include bartered services

2. Submit ICF application online and pay the fee (*go to www.coachfederation.org for details*). You will be submitting your application through the ICF Portfolio path which will require submission of a coaching recording.

Your application will require online submission of the below listed documents in digital form:

1. Your letter of completion documenting 60 coach specific training hours and 10 mentor coach hours from Coachville.
2. Your client coaching hours log (PDF is preferable).
3. One recorded coaching session between 20 and 60 minutes in MP3 or WMA format. File size must 95 megabytes or less.

3. Effective April 1, 2014, all applicants for an ICF Credential will be required to complete the ICF Coach Knowledge Assessment. Both Portfolio and ACTP applicants at all three Credentialing levels (ACC, PCC and MCC) will be required to pass the assessment in order to earn an ICF Credential. The ICF Coach Knowledge Assessment is a multiple-choice, Web-based exam that applicants can take on their home or work computers. The objectively-scored exam includes questions around the ICF definition of coaching, the ICF Core Competencies and the ICF Code of Ethics.
