\*For those pursuing ICF Certification after graduation from CoachVille, please note upcoming Changes to ICF ACC and PCC requirements:

**Changes to ICF ACC Requirements:**

*Existing policy:* coaches may count client-coaching experience hours logged prior to the start of coach-specific training toward requirements for the ACC.

*New policy:* The ICF will require ACC applicants to complete 100 hours of client-coaching experience following the start of their coach-specific training. At least 25 of these hours must occur within 18 months of the application for the credential. ACC applicants will still be required to have a minimum of eight clients and 75 paid client-coaching experience hours.

The ICF Global Board has approved a 12-month phase-in period for the new requirements. Beginning October 1, 2015, PCC applicants who meet these requirements will be able to begin applying under the new criteria. Beginning October 1, 2016, all applicants will be required to meet the new criteria.
