

Invitation to a “Game Changer” Collaborative Interview

Our Purpose

Awesome!! Thanks so much for reading this. I am really excited about doing this with you.

There are three parts to our purpose here:

- 1) To illuminate the possibility of living life as a “Game Changer”, as a player and coach, by sharing your story with the world.
- 2) For you to benefit from the visibility created by being recognized as a Game Changer on the CV Platform!
- 3) For us to benefit from the connection between your success in the world and your participation at CoachVille!

The IDEA

We are focusing the CoachVille brand around our powerful theme: Be a Game Changer.

This includes being a game changer by playing big in life in a way that makes the world better; AND being a CV Coach where you LITERALLY help others “Change the Game” they are playing in life.

We call it: **Game Changing Life Coaching**.

We have identified YOU as a great example of someone living the life of a Game Changer – both as a player AND as a Coach - and we want to share your story with the CV Membership... And the World!

The interview experience will be a recorded 30-minute conversation between YOU and Me (Coach Dave).

I will ask you a variety of provocative questions to illuminate your story AND you can ask me questions as well; that is what will make it a “collaborative” interview!

The interview will be shared in parts and in its entirety on the CoachVille website and blog.

We will encourage you to share the recorded interview with your tribe as well.

The “Starter” Questions

Here are a few of the questions we will engage in during our interview. Many additional curious questions will arise as we talk! (naturally)

PLAYER FOCUS

- What is your big game as a player?
- What makes you come alive?
- What changes have you made to play your game bigger and better?
(specifically: to your game plan, skills, inner freedom or environments)
- Share a story about playing your game and creating a win.

COACH FOCUS

- What is the main game you coach?
- What challenging shifts have you made to become a great coach?
- Describe a win that one of your players achieved through coaching with you.

COACHVILLE FOCUS

- What have you enjoyed most about your CoachVille experience?
- Which CoachVille Methods or Skills do you find yourself using the most with your players?

WHAT DO YOU WANT TO ASK ME?

Think of a few questions that you would like to ask me!

These can be questions about coaching, CoachVille, playing, my history, my game, the history of coaching, the future of coaching, just about anything!
