

# Play Two Win Method™ Play Sheet

## Game Plan

What is your Game Plan?

Look at your game as a player. Answer each question:

1) What is the key recurring result of the game?

---

---

---

2) What is your Theory (BIG IDEA) about how to get this result in the game?

---

---

---

3) What is your method - step by step approach - based on this theory?

---

---

---

---

---

---

---

4) What are your personal strengths that you can leverage?

---

---

---

## Game Plan

5) also...be aware of your weaknesses to overcome or work-around.

---

---

---

6) What are the assets or resources in your environment that you can leverage to get this result?  
e.g. a strong partner, people in your network, intellectual property,

---

---

---

---

---

---

---

7) How will crafting this game plan change the way you play the game?

---

---

---
