

# Coach Approach Leadership Master Mind Invitation to Explore

## It's time...

It's time to take your business, LIFE AND YOUR PURPOSE to the next level of awesome!

This is not a question. This is a statement. We both KNOW it's time.

AND...

It's time for all of us to play together to raise the bar for what it means to THRIVE as a Coach Approach Enterprise. This could be a coaching company or ANY business lead by a Coach Approach Leader.

Hint: if you are a "solo" business and have been thinking it might be time to build a team...

this is DEFINITELY for you.

If you already have a team, we are going to uplevel it... BIG TIME.

I am offering you the opportunity to join me for a 1-year Mastermind experience...

EXCLUSIVE for Coach Approach Leaders.

Here are a few of the themes we will explore AND MASTER in our year together:

1) YOU – unleash the RAW power of the REAL you.

We are going to take your mind and body to levels of CLARITY, JOY and FREEDOM that you have never experienced before.

Note: I have just done this myself and WOW, I feel amazing.

2) TEAM – your sustainable RESULTS live here.

First we are going to greatly expand how you think of TEAM.

Your TEAM is anyone who shares your DREAM to create better world.

You TEAM = customers, colleagues, employees, partners, advocates... AND your family.

# **Coach Approach Leadership Master Mind Invitation to Explore**

You thrive by BEING a great coach for the players on your winning team.

Money is a tribal game. We are going to uplevel how we play with money AND have a LOT of fun doing it.

3) VISIBILITY – VISIBILITY – VISIBILITY

(are you old enough to remember Marcia, Marcia, Marcia? LOL)

YOU are a magnet for life.

Your Deeper Purpose energizes your team.

Your RESULTS speak for you in the world.

YES... we are going to get social... VERY social.

4) How do we bring the Coach Approach into new territory?

We will explore such topics as:

Coach Approach Marketing,  
Coach Approach Sales,  
Coach Approach services and  
Coach Approach products..

AND a lot more!

To thrive in ANY business you need several revenue streams and all with the heart of coaching baked in.

It is TIME.

**You and me, together, for 1 year.**

The only question is: are you ready to play bigger than you have ever played before?

(And slay some “Sacred Coaching Cows” while we are at it)
