

# Proficiency Coach Mission: Big Win!

## Coach Consciously

### Quick Summary:

**BIG Idea:** Coaching is the art of guiding another person or team in pursuit playing better and winning on ones' own terms.

In the game of coaching, the only way to know if YOU are winning is by the success of your players.

### Quick Game Plan for the Coach Mission

- 1) **Big Win for your Coach Mission**
- 2) **Find the Fun!**
- 3) **Share on your game card AND Collect Point!!! YES!**

### 1) BIG WIN in your Coach Mission to Coach Consciously:

The BIG WIN Happens when your player sends you a "Thanks, Coach" note of acknowledgement about the value of the Coaching Conversation! The note can come in any form such as a voicemail, email, text, or Facebook post; as long as it is a distinct acknowledgement.

So if they thank you during the coaching conversation, ASK THEM to send you a note of some kind to acknowledge what happened. It's good for you and it is actually better for the player to document the value they received.

In the game you can record up to 10 of these for points. When you share a Big Win on your game card include some or all of what they said to you. (Make sure to maintain confidentiality for the individuals involved)

### 2) Find the Fun!

With every game action, it is up to you to find a way to make it play or as we like to say, Find the Fun.

Here are a few ideas.

**Seeing the fruit of your efforts... SUPER FUN!** – While we coach for the joy of playing for life-changing conversations with our players... Seeing them play well is optimal feedback.

**Receiving an acknowledgment...** Priceless!
