For the WIN

The Game Action area is where you share about what you did.

KEY POINT: A BIG WIN is something that someone else does or says.

Simple example: You spark a conversation with someone you meet about how they could play their game at a new level. At some point in the conversation they say:”wow, I really appreciate this conversation.” You had a positive impact on another person. That is a BIG WIN.

Sometimes in the past folks have thought of a BIG WIN as when they did something or when they did something out of there comfort zone. But in CoachVille that is a game action. The WIN is when something happens in the world.
