CLICK the Share Button

The screenshot shows the 'Inner Freedom Introduction Game' interface. At the top, there is a navigation bar with links: Community Home, My Game, Leader Board, Game Board, Highlights, Reports, Teams, Coach View, and Admin. Below the navigation bar, the game title 'Inner Freedom Introduction Game' is displayed. On the left side, there is a profile card for Dave Buck, MCC, Level 6, with a total of 1855 points and a 'TIME LEFT' of 45d 3h 32m 52s. The main content area shows a list of activities under the 'Power Ups' tab. The first activity is 'Start Here: This is why I am excited to pursue life as a game and coach the people around me aka... my team...' with a 'Share' button. The second activity is 'I just READ the Inner Freedom (tm) Method Playbook INTRODUCTION AND CHAPTER 1. My takeaway is...' with a 'Share' button. Red arrows point to the 'Power Ups' tab and the 'Share' buttons, with text overlays: 'This is a game card activity' and 'Click the "Share" button'.

Step 4: Share Your Thoughts...

This is a game! It is NOT a test. There is no right or wrong answer. The idea of the game is to share your thoughts. You will learn so much about yourself and your life when you do this. In many ways this is what coaching is about.

However... the Coach of the game may from time to time challenge you to put more thought into your thoughts! That's what coaches do!

The screenshot shows the 'Inner Freedom Introduction Game' interface with the 'Enter Details' dialog box open. The dialog box has a title bar 'Enter Details' and a close button. It contains a rich text editor with options for bold (B), italic (I), underline (U), font family, font size, and a link icon. Below the editor, there is a 'Logout' button and a 'Share on Facebook +1' button. A red arrow points to the 'Share on Facebook +1' button, with text overlays: 'Share your thoughts.' and 'Click "save"'. The background shows the same game card activities as in the previous screenshot.

Step 5: Move around the game card

A few notes about the CoachVille Game System

A **POWER UP** is something that prepares you to do something in the game better. (With more power)

A **GAME ACTION** is when you do something in the world and share about what happened.

A **BIG WIN** is when you get a desired result in the world by taking action and share about what happened.
