## Focus for Session #4: Adventure Sharing / Invitation

### The BIG IDEA

The BIG Idea for Advanced Human Connection SKILLS is to engage with people and grow relationships based on sharing Dreams and opportunities for adventure with companionship.

This is a BIG shift since in the toxic Industrial Culture, we are all indoctrinated into presenting to the world that we are perfect and have everything figured out.

As a person with Advanced Human Connection SKILLS you will have a unique approach that will make you a MAGNET for connections and opportunities... and the ripple effect of good that you can bring to the people around you.

So the idea is that AFTER you meet someone new and share your Dream, and transformation story... you want to share with them your next adventure opportunity; and possibly invite them to join you as a companion!

We call this Adventure Sharing and we will practice this together in the third session.

**BE THE PERSON WHO SHARES ABOUT Dreams and ADVENTURES!**

**Your Dream is a “game” in the Play Life Station**

PLAY YOUR DREAM is a totally new idea. The best way to explain it is with a metaphor.

You are most likely familiar with the various game consoles where you plug a game into the console and the screen comes alive with a new world that you explore, face fun challenges and develop new abilities.

Imagine that this amazing world that we live in is a fully alive “Play Life Station”!

Your Dream is like a game that you plug into the game console.

After you activate your Dream by sharing it with the people around you, the world around you comes alive in a new way.

**THIS IS SUPER IMPORTANT...**

Your Dream will present you with numerous opportunities for Growth and Transformation. The most common is the transformation of your natural abilities or perceived weaknesses into SKILLSETS and MINDSETS. On your adventure you will become the next version of you! The key is to SHARE about it so that others want to join you on the adventure as your companion.

## Outline for the Session

### *The Social Scene we are practicing together in this session is: Adventure Sharing!*

In session four we will practice several Advanced Human Connection Skills oriented toward the social situation of Adventure Sharing..

#### *.1. Welcome and Warm Up*

#### *.2. Adventure Sharing Practice*

- Share your Dream
- Social Situation = Share the Adventure
- Human Connection Practice

#### *.3. Proficiency #12 Enters New Territories*

You have observed your partner sharing their Adventure.

Coach, co-create a New Territory Framework for the Adventure.

Coach and Player will co-create a New Territory Scene.

Then we will use the Peak Experience Technique to practice the desired future scene where you are stepping into the New Territory with new SKILLS and new MINDSET.

BIG GROUP = Peak Experience... Imagine and FEEL your future moment

Practice together with your partner debriefing and growing from practice.

#### *.4. Proficiency #14 Designs Supportive Environments*

Using “Speed Drill” Role Play we will practice roles of being an Environmental Design Coach and the Adventuring Player who must upgrade their environments to embody the NEXT version of themselves needed for this adventure; (with new SKILLSET and MINDSET).

Player has shared their new territory / adventure.

Coach practices “Speed Drill” environmental scan for desired upgrades

#### *.5. Proficiency #13 Relishes Truth*

Use The same Challenge / Growth Opportunity

Player, choose from the Relish Truth Menu.

Coach: Shares the Truth that they see.

Player: Shares the Truth that they see.

Then... Player and Coach practice “Relishing Truth” together.

If you have time, the player can choose another item on the menu.

### *.6. Proficiency #15 Respect the Persons Humanity*

We will practice using the “Exploration” technique.

The Coach presents the Respects Humanity Model for the Player to choose an area to Respect Together..

Then the coach aims to Respect the player’s Humanity AND encourage the player to respect their own Humanity as well. Coach and Player co-create mutual respect for Humanity in the chosen area.

### *.7. Completion and Celebrations!*

Both partners share a celebration of the shared experience.

Both partners aim to go deeper...

What do you have in common with your partner

What do you see is unique and special about your partner

## *Prepare your Adventure Story for the Session*

Whatever you are going to do with / for other people in your Dream, you are going to need companions. That means you are going to need the SKILL of adventure sharing!

The best way to engage a person and enroll them to be a part of what you are doing is to make it sound MORE like an adventure and LESS like a transaction.

A basic Adventure Invitation story has 4 parts

Part 1: Describe your Dream like a growth-oriented adventure story that includes Human Connection? (can have a short backstory)

Part 2: Describe the Adventure Highlights that you can envision?

Part 3: Describe the new SKILLS and MINDSET that you will develop

Part 4: Describe the potential rewards of this adventure?

Note: You can weave in potential challenges. But often when you are enrolling someone for an adventure, you don’t talk about that part. 😊

You can use the Prep Sheet on the next page to write a few notes.

*Prep Exercise BEFORE the session*

### *.3. #12 Enters New Territory (Peak Experience)*

Two Roles

Coach: who is guiding the player to Enter New Territory

Player: with a Dream Adventure who is ready to practice new SKILLS and Mindset

Choose Roles for the first practice (you will both play both roles)

You have observed your partner sharing their Dream as an Adventure

Coach, use the Enters New Territories Model (and Mindset).

**Coach SAY:** Let's look at the "Enters New Territories" Model and choose a focus for your Adventure.

{Coach, look at the Model together and co-create with your player}

**Coach ASK:** What is an action you can take on Monday based on this focus?

{Coach, co-create with your player}

**Coach ASK:** Let's co-create a Growth Oriented Peak Experience Scene of you engaging in this action?

{Coach, co-create with your player}

**Coach ASK:** Describe the SKILL you will be expressing?

{Coach, Listen and then share your ideas?}

**Coach ASK:** What mindset or belief shift you will need for this SKILL?

{Coach, Listen and then share your ideas?}

**SAY:** Next we will push the energy to another person in the scene (either in the moment of AFTER if it is a creation)

**ASK:** What do you want the other person to feel during this experience?

{Coach, Listen}

**ASK:** What do you want the other person to do in the experience?

{Coach, Listen}

**{SWITCH ROLES}**

## BIG GROUP

The Event Leader will guide the next part of the Practice:

Visualize and embody the scene from both perspectives **WITH** non-conscious writing!

## BACK WITH YOUR PARTNER

Follow the gathering guide to ask the questions. As you listen, **tune into the energy and emotion MORE than the words**. After you listen share an observation about the energy that is popping up for you.... trust yourself and share it.

- An observation is an outside perspective:  
For example... This is what I am hearing...
- An observation... is SEEING at a deeper level.
- An observation is not ADVICE... NOT you should do X

***Choose again who will ask first...***

***Coach ASK:*** Briefly describe what you experienced...

***{Partner. Listen. Then share your energy observation}***

***Coach ASK:*** Of all the thoughts you noticed during the visualization, which are you most curious about and why?

***{Partner. Listen. Then share your energy observation and/or question}***

***Coach ASK:*** Of all the physical sensations you noticed in your body which are you most curious about and why?

***{Partner. Listen. Then share your energy observation and/or question}***

***Coach ASK:*** One last thing, when you were in the visualization, did you notice any desires coming up? Often these reveal action items or growth opportunities.

***{Partner. Listen. Then share your energy observation and/or question}***
