DREAM TEAM COACH – Master Mind + Master Class

Exclusive Coach Dave Visibility Experience for Coach Approach Transformational Leaders

Here is **HOW** we are going to co-create this powerful experience...

A) We are going to co-create a fun social experience for ourselves with high expectations for success. AKA a winning environment!

B) To go **BIGGER** out into the world, you must go **DEEPER** into yourself. AKA expand your awareness of the **REAL YOU**.

1) The Master Mind Experience

We will have organized virtual gatherings where we explore important ideas and strategies for success. We will meet this way twice each month via the Maestro Bridge AND

We will have one group gathering in New York City (probably in May) for master mind AND FUN!

2) The Master Class Experience

A Master Class is basically 1-1 coaching in a public forum. In a 2-hour masterclass 6 different participants will be coached 1-1 by me for 20 minutes each while everyone else in the group observes. When you are the one being coached amazing breakthroughs are possible! When you are observing you often have big insights into your own game. And your coaching mastery expands **FAST** at the same time.

Twice each month we will gather for a Master Class on a specific topic like:

Your Personal Brand, Coach Approach Marketing, Coach Approach Sales, Game Design, Inner Freedom, World Power, Coach Approach Leadership and Your methods for creating WOW results.

3) Player Card = The Raw Power of the REAL You

This incredible system is going to revolutionize your life and your business by revealing the **YOU** “that you were **BORN** to be”; including: your Super Powers, Gifts, Pathway to Purpose, your Questions for the world, Life Strategy, Areas of Influence, Areas of Vulnerability and where you may have repressed or rebellious energy that is detracting from your natural powers of attraction.

Here are just a few of the details of **WHAT** we are going to do together!

1) Visibility – Visibility – Visibility!

Create **MUCH** greater demand for your transformational coaching or business. AND for the **REAL YOU!!!** Scary... but essential for sustainable success.

This will increase your CASH FLOW!

2) Become a more masterful transformational coach...

By participating with me and fellow transformational coaches AND diving deeply into Transformational Coaching Methods your abilities will expand. This will serve your clients and **EVERYONE** around you.

3) With your expanded CASH FLOW you can build your team.
