Coaching Guides

Update: 2024-09-07

By Coach Dave Buck, MCC

Welcome. On behalf of the entire CV Team, I want to welcome you to the Human Connection Transformation Coaching program; often referred to as simply Transformation Coaching.

This is the book of “Coaching Guides” for your Human Connection Transformation Coaching class.

Learning how to coach is a lot like learning how to play a musical instrument WITH the intention to play in an improvisational jazz group with other musicians.

Using this metaphor, these coaching guides are “the songs”. Learning the music provides a structure for learning the instrument and getting into the feeling of music. Each coaching guide is like a new piece of music that will take you deeper into the instrument.

After LOTS and LOTS of practice, you become masterful with the instrument, the feeling of the music is in your blood and you can “just play the songs” with other musicians by putting your attention on the co-creation NOT on the music itself.

When you first start coaching, just follow the Guides. Metaphorically speaking, you will be able to create pleasing music and hopefully continue to fuel your desire to pursue mastery. And then one day you will BE the music and write your own songs!

Before you use the Guide with a player read it over many times. Read it out loud a few times. Get a feeling for the words, the questions, the ideas and the flow of the conversation.

When you are first learning, follow the Guides closely; put your attention on observing your player as they respond to the questions and statements.

Within each Guide there are places to follow your intuition and places to improvise; for example, when doing a Role Play with your player.

Using these coaching guides, you will create a great experience for your players AND you will learn the Coaching Techniques, the Coaching Superpowers, and the Human Connection Transformation Models... ALL AT THE SAME TIME!

Following the 12 Coaching Guides for the sessions in the class, you will see coaching guides for the “Stand Alone” techniques. These are awesome for when you are “every day” coaching and using the techniques in the free flow of a coaching session.

Together we play better...

Coaching Guide Session 01: Dream Activation (Exploratory)

Coaching Technique: Peak Experience

1) WELCOME & WARMUP

SAY: "Thanks so much for having this exploratory coaching session with me. So, as I mentioned I am offering a Coaching program called: Human Connection Transformation. I really appreciate you and I can't wait to see what we discover together. This session will take about 45 minutes.

ASK: Are you ready to go?

{Coach: wait for them to SAY: YES}

SAY: "OK. Let's start with a quick warm up. We will do 3 Connecting Breaths to warm up our wisdom and a 30 second visualization to warm up our imaginations.

SAY: A Connecting Breaths is a BIG breath in and a SLOW breath out. If you are in a safe place, you can close your eyes.

{do this in a quiet voice}

SAY: Big breath in ...*{pause}* and a slow breath out

SAY: Big breath in ...*{pause}* and a slow breath out

SAY: Big breath in ...*{pause}* and a slow breath out

SAY: Breathing this way creates a strong connection between the heart and the mind.

SAY: Next we will do a 30 second visualization. Keep your eyes closed. Use your imagination to see yourself doing something you enjoy.

SAY: 30 seconds... here we go.

{wait approximately 30 seconds}

ASK: Alright! We are warmed up now. Are you ready to dive in?

NOTE: if they want to share what they saw, definitely encourage them to do so.

2) CELEBRATION

ASK: Can you share with me something you want to celebrate in your life right now? ...

{listen and encourage... celebrating together strengthens the connection}

{wait for them to say: Yes}

3) GROW (from Play)

ASK: Just a curious question, have you done anything in the past few weeks that you consider to be growth-oriented?

{If they say: Yes}

ASK: Tell me about it? Just the short version.

{If they say: No... Move on to the next step}

4) Practice PLAN

SAY: Our coaching plan for today is to activate your Dream and do a powerful practice technique. After doing this we will know if we are a good fit for coaching together and we can explore those details.

ASK: Does that sound good to you?

{wait for them so say YES}

ASK: Did you get a chance to listen to the prep audio for the session?

IF YES

ASK: What was your main take away from it?

{Listen, this will give you clues about their perspective}

THEN CONTINUE

SAY: Our quick definition of coaching is an epic relationship for guiding practice to facilitate transformation for the players Dream. That's YOU!

The Courage to Dream is an amazing Superpower where you envision yourself in the future with new abilities and then you embark on a path of growth to experience your vision.

All coaching starts with a Dream. When we practice this Superpower you expand your freedom to live life with meaning and purpose.

DISCOVER THEIR DREAM, SPARK AND RIPPLE!

1) Dream

ASK: If you looked at your life / business / career as playing your Dream... what would you say your Dream is right now?

{Coach: listen and ask any curious questions that pop up for you}

{You may want to ASK: "Anything else?" a few times to get to the deeper stuff}

2) Spark?

ASK: What was the spark when this Dream came to you?

{Coach: champion their story!}

3) Ripple Effect?

ASK: What is the ripple effect of good you hope to have on the world around you as you play this Dream?

{Coach: listen and ask any curious questions that pop up for you}

SAY: I can see that happening!

4) Self-Worth

ASK: A big part of playing our dreams is believing that we are worthy of the Dream. What is a bold statement that you can make that says you are worthy of this Dream?

{Coach: listen and amplify their energy. Sometimes this statement can bring up an emotional response because their dreams have been thwarted in the past and finally someone is encouraging them to dream again.

EMBRACE being EPIC in this players life!}

SAY: I believe in YOU!

5) Peak Experiences

SAY: A big transformation in Human Connection coaching that is different than other kinds of coaching is the transformation:

FROM: Working on tasks to reach a goal

TO: Playing for peak experiences to live your Dream

Let's co-create a list of possible Peak Experiences you want to have over the next few months?

{Coach, this is your time for Playful Co-Creation! Share your ideas in with theirs}

IF THEY ARE NOT CLEAR ABOUT PEAK EXPERIENCE

Examples of peak experience are when you do something awesome. Or face and overcome a challenge. Or when you have a desired positive impact on another person.

5) PRACTICE

PRACTICE with Peak Experience Technique

PLAN

ASK: “Which one of these Peak Experience would you like to practice NOW?”

{Let them choose. BUT, if they seem stuck you can make a suggestion.}

SAY: “OK, this is a technique where we practice a situation using imagination and body awareness like Olympic Athletes do).

SAY: “Let’s confirm the social action, intended feelings and result.

(1) ASK: “Describe the action and the scene of the Peak Experience.

{Listen, you MAY need to help them talk it through.}

ASK: “What do YOU want to feel while you are in the scene?”

{Listen, you MAY need to help them talk it through.}

(2) ASK: “Next let’s put our attention on another person in the experience with you. What do you want the other person to feel when they engage with you (or what you created)?

{Listen, you MAY need to help them talk it through.}

ASK: “What do you want the other person to do at the end of the experience?”

{Listen, you MAY need to help them talk it through.}

PRACTICE

SAY: “We are going to use your imagination to embody this experience. We will do this in two phases, first the action that you are doing and then the experience within the other person. And the “key” is to pay attention to both your thoughts and your body sensations as we visualize the action”

ASK: “Do you feel safe closing your eyes?”

{Wait for them to say: Yes}

SAY: OK, close your eyes for a moment. Take a deep connecting breath....{pause}

(3) Now bring into your imagination a scene of the peak experience. {repeat the action and the scene}

Your imagination is so powerful. Let it fill in all the details... as you see it and feel it as deeply as you can.

{pause 20 - 30 seconds}

Next bring in the feeling {repeat the feeling to them} while you are in the experience.

{pause 20 seconds}

Notice any thoughts coming into your mind as you see yourself in action. Share one with me...

{pause & listen}

Next scan your body and notice any body sensations that are coming into your awareness. Share one with me...

{pause & listen; it is OK if they don't notice anything!}

(4) SAY: OK. You are doing great. Next, I want you to push your energy out to another person in the experience.

{Pause 30 seconds}

(5) SAY: Imagine them engaged in the scene... {fill in the details}.

SAY: Imagine them feeling... {fill in the details}.

{pause}

Imagine them enjoying it and doing... {fill in the details}.

{pause}

SAY: Now notice any thoughts popping into your mind as you imagine the other person in this scene.

ASK: Keep your eyes closed for just a moment more and share with me what you notice.

{listen. Affirm by saying: "I can see that"}

SAY: Next scan your body and notice any body sensations as you imagine the other person in this scene. Share with me anything you notice...

{listen. Affirm by saying: "I can feel that"}

GROW

SAY: Great! You can open your eyes now.

(6) ASK: Of all the thoughts you noticed during the visualization, which are you most curious about and why?

{Coach. Listen. Then you can share your insights}

(7) ASK: Of all the physical sensations you noticed in your body which are you most curious about and why?

{Coach. Listen. Then you can share your insights}

(8) ASK: One last thing, when you were in the visualization, did you notice any desires coming up?

{Listen and dialogue with them; share your observations}

{They may have felt joyful in the scenes, They may have felt doubt or even fear.}

{It's all about noticing opportunities for growth.}

SAY: I acknowledge your courage and playfulness! Awesome.

SAY: The thoughts, feelings and desires that popped up along the way reveal growth opportunities. That is one of the big benefits of coaching is to facilitate transformation.

SAY: Also, when you practice an experience in your imagination and feel it, it makes it MUCH easier to create the experience in your real life; because your body feels like it has happened already. It's really powerful when you do this on a regular basis.

ASK: What was that technique like for you?

{coach, be encouraging and talk about how it gets more powerful with practice; which is the whole point!}

6) GROWTH MODE = Choose!

GROWTH ZONE

SAY: OK, let's get into the growth zone...

ASK: What did you learn about your Dream in this session?

{Champion them or their dream in some way}

ASK: What did you learn about yourself in this session?

{Champion them or their dream in some way}

MOMENT OF CHOICE

{Coach: Here you have to choose! Do you have a good connection with them? Does something about them intrigue you as a learning opportunity for you?}

If YOU are a “YES”:

SAY: I love your Dream and I think we could have great success together.

Only say the RED part if you are going to charge for the coaching.

ASK: *Can I tell you how the money works? And then you can decide if you* would you like to be one of my players?

If they say “yes”, move on to #7A. If not, skip to 7B.

If YOU are a “no”, skip to 7B.

7A) PLAY PLAN (the days ahead)

IF you are charging...

EXPLAIN THE MONEY

SAY: So, in order to earn my coaching certification, I need to accumulate 450 paid coaching hours! It’s a lot. While I am on my way to certification, I am offering a super affordable introductory rate of \$300 for 11 more sessions. If you are good at math, you know that is less than \$30 / session. Amazing value!

Plus, you get the prep audios and playsheets and there is a community on the CoachVille App for all the players in the Human Connection Transformation Coaching program which you might really enjoy.

AND ...

You don’t pay until after our 4th session; 3 more after today. If after our 4th session you want to keep going, then the investment is \$300 – and you can pay in 3 \$100 payments each month.

If you don’t want to keep going, then there is no payment, and we consider the 4 sessions pro bono and we both learned from the experience together.

ASK: Does this sound fair to you?

CONFIRM THE COMMITMENT

SAY: Excellent. I just want to confirm that you are committing to meet with me for about 45 minutes each week. If we can’t do a session one week for some reason, we will try to make it up the next week.

ASK: Are you good with that?

{Coach: wait for them to SAY: YES}

SAY: Let's get our next two sessions on the calendar now.

{Get their next 2 weekly sessions set up in your calendar. Meet in the days following class each week}

END WITH SOCIAL PLAY...

SAY: Excellent! Now that your Dream is activated, everything that happens is connected to your Dream in some way. So, stay open and observant to what you experience.

ASK: For this first week, what are a few social actions you can do to bring your Dream to life?

{Coach: you can make a suggestion from what they shared during the session}

SAY: "Great! Talk to you soon"

7B) If either of you say "no": thank them for their time.

SAY: I have learned a lot from this conversation. Thank you. But I don't think we are a good match for coaching together. Thanks so much for your time today!

Coaching Guide Session 02: Ability to Believe

Coaching Technique: Peak Experience

1) WARMUP (and affirm coaching agreement)

SAY: "Hello! I am really excited about coaching with you today. Today we are going to explore your Human Nature Superpower the Ability to Believe. I can't wait to see what we co-create together.

ASK: Do I have your permission to be your coach today? Are you ready to get started?

{wait for them to say, YES}

AFFIRM COACHING AGREEMENT

SAY: The first thing we need to do – and we only need to do this once, is a quick verbal recap of our Coaching Agreement.

ASK: I just want to confirm that you read the coaching agreement.

{wait for yes}

SAY: #1 Coaching is focused on growth by practicing together and exploring situations for new awareness. We are not doing therapy with the focus on healing. And I am not going to give you any legal, medical, or financial advice. Often coaching can have healing side-effects, but that is not our focus.

SAY: We can talk about anything you want to talk about, past, present or future, AND if something comes up that seems like it requires a psychological, legal, medical or financial professional, we will agree together for you to bring those specifics to another professional.

ASK: *Are you ok with that?*

{wait for yes}

SAY: As your coach I am not going to do any tasks or projects on your behalf. If we both want me to do something for you, that will be outside of this coaching agreement.

ASK: *Are you ok with that?*

{wait for yes}

SAY: There are a few boundaries that our conversations cannot cross. As a coach I take an ethics oath that I am not a supremacist; there is no inherent superiority or rulership of one person over another. So, we can't get into anything involving for example: white supremacy, male supremacy, religious supremacy or wealth supremacy.

ASK: *Are you ok with that?*

{wait for yes}

SAY: Our coaching sessions are confidential. What that means is that I won't share anything about our sessions with anyone without your permission. You can share about anything that you want to. There are two exceptions:

- 1) There is no coach-client privilege by law in the US. So, if for some reason I receive a subpoena to testify in court about our sessions, I would have to do so.
- 2) If you talk about harming yourself or someone else, I would be obligated to seek assistance.

ASK: *Are you ok with that?*

{wait for yes}

SAY: One more thing. We will go in that general direction of your Dream until you decide we should change it or expand it. Our focus is always your choice. I will suggest certain coaching techniques, but our focus within those techniques is always up to you.

ASK: *Are you ok with that?*

{wait for yes}

SAY: Whew! OK we are in the clear!

{coach, you can rephrase this in your own words 😊}

WARM UP

SAY: "OK. Let's start the coaching with a quick warm up. We will do 3 Connecting Breaths to warm up our wisdom and a 30 second visualization to warm up our imaginations.

SAY: A Connecting Breath is a BIG breath in and a SLOW breath out.

If you are in a safe place, you can close your eyes. Here we go...

{do this in a quiet voice}

SAY: Big breath in ...{pause} and a slow breath out

SAY: Big breath in ...{pause} and a slow breath out

SAY: Big breath in ...{pause} and a slow breath out

SAY: Next we will do a 30 second visualization. Use your imagination to see yourself doing something for your Dream. Do your best to see it and feel it in your body as

deeply as you can. After you start the scene, allow your imagination to take you where it wants to go.

SAY: 30 seconds... here we go.

{wait approximately 30 seconds}

SAY: OK Excellent. Thanks for doing that with me.

NOTE: if they want to share what they saw, definitely encourage them to do so.

SAY: Share with me a short version of your Dream

{Listen. Then when they finish...}

SAY: I can see you doing that.

{pause for a moment}

ASK: Are you ready to dive in?

{wait for them to say: Yes}

2) CELEBRATION

ASK: Can you share with me something you would love to celebrate about your life right now?

{This is to create a sense of flow from one session to the next}

3) GROW from Play

ASK: Share with me any insights about your Dream or playing your dream that came up since our Dream Activation session?

{Just notice what they share. Here you find out how well they are adapting to Dream orientation}

4) PRACTICE PLAN

SAY: Our coaching plan for today is to go deeper into your Dream by exploring the Ability to BELIEVE Human Nature Superpower; Which is all about choosing your

beliefs and understanding your self-preservation beliefs and your self-confidence beliefs that relate to your Dream. When we practice this superpower you expand your emotional freedom.

ASK: Did you listen to the prep audio for our session today?

IF YES

ASK: What are your insights about seeing the Ability to BELIEVE as a Superpower you can use to play your Dream?

IF NO

SAY: The idea is that you have within you the Ability to BELIEVE and you exercise this power by choosing your beliefs. Most of our beliefs are absorbed from our environment and are in our non-conscious mind. They will bubble up as you start to play. But we can start by choosing new conscious beliefs. – experience – non-conscious belief

CONTINUE

ASK: Let's describe a few core beliefs needed for this Dream?

{Coach, this will most likely require some co-creation.

START WITH EXAMPLES:

I BELIEVE that I can do X

I BELIEVE that I will be good at Y.}

ASK: How will this dream require you to expand your self-confidence?

SAY: Self-preservation is an awesome Superpower that keeps us safe. It usually steers us away from social risk.

ASK: How will this Dream challenge you to expand your capacity for social risk?

ASK: How will you need to break free of the Industrial Age “I am not enough” mindset?

ASK: After you choose a new belief, it is essential to anchor it into your body by acting on it. What are a few social play actions you can do to act on one of your new beliefs for this Dream?

{Listen first then Co-Create by offering possible social actions.}

{If it seems like they are describing actions they have already done, co-create a way to uplevel it to align with a new belief}

ASK: “Which of these actions would you like to practice NOW?”

{Let them choose. BUT, if they seem stuck you can make a suggestion.}

{Coach: listen}

SAY: “Can I share an observation?”

{Coach: share an observation about your player's Human Nature superpower potential and the pursuit of their dream.

7) PLAY PLAN (the days ahead)

SAY: "OK, let's make sure we have a Play Plan..."

SAY: We are going to use a coaching model called: Plan – Play – Grow.

So each week we will create a play plan. Then you will go and play your dream out in the world and then we will explore what happened and look for growth opportunities.

ASK: For this week what transformation do you want to focus on? From A to B?

{Coach: listen and CO-CREATE }

ASK: For this week what are some social actions you can take to play your dream?

{Coach: listen and CO-CREATE }

NOTE: If it makes sense, encourage them to include the Action you just practiced.

ASK: "What resources or support will you need for this play plan?"

{Coach: listen their need for support OR highlight possible obstacles}

ASK: "How will you keep our play plan alive between now and our next session?"

{Coach: listen for their structure / the Play plan Playsheet is an example structure}

SAY: "My challenge for you between now and next week is to get into co-creation by bringing other people into as many of your actions and experiences as you can."

ASK: "Can you do that?"

Wait for them to SAY: "YES!"

SAY: {Share a supportive observation about the player's progress in the session}

ENDING

SAY: "Great! Have a great week of play. Talk to you soon"

NOTE: if you want to stay connected with them via text or email, you can confirm those details with them.

1) *Dream*

ASK: If you looked at your life / business / career as playing your Dream... what would you say your Dream is right now?

{Coach: listen and ask any curious questions that pop up for you}

{You may want to ASK: "Anything else?" a few times to get to the deeper stuff}

2) *Spark?*

ASK: What was the spark when this Dream came to you?

{Coach: champion their story!}

3) *Ripple Effect?*

ASK: What is the ripple effect of good you hope to have on the world around you as you play this Dream?

{Coach: listen and ask any curious questions that pop up for you}

SAY: I can see that happening!

4) *Self-Worth*

ASK: A big part of playing our dreams is believing that we are worthy of the Dream. What is a bold statement that you can make that says you are worthy of this Dream?

{Coach: listen and amplify their energy. Sometimes this statement can bring up an emotional response because their dreams have been thwarted in the past and finally someone is encouraging them to dream again.

EMBRACE being EPIC in this players life!}

SAY: I believe in YOU!

5) Peak Experiences

SAY: A big transformation in Human Connection coaching that is different than other kinds of coaching is the transformation:

FROM: Working on tasks to reach a goal

TO: Playing for peak experiences to live your Dream

Let's co-create a list of possible Peak Experiences you want to have over the next few months?

{Coach, this is your time for Playful Co-Creation! Share your ideas in with theirs}

IF THEY ARE NOT CLEAR ABOUT PEAK EXPERIENCE

Examples of peak experience are when you do something awesome. Or face and overcome a challenge. Or when you have a desired positive impact on another person.
