Play Life Method Coaching Guides

By Coach Dave Buck, MCC

Welcome

Welcome. On behalf of the entire CV Team, I want to welcome you to the Play Life Method program.

This is the book of “Coaching Guides for your Play Life Method Class.

Learning how to coach is a lot like learning how to play a musical instrument WITH the intention to play in an improvisational jazz group with other musicians.

Using this metaphor, these coaching guides are “the songs”. Learning the songs provides a structure for learning the instrument and getting into the feeling of music. Each coaching guide is like a new song that will take you deeper into the instrument.

After LOTS and LOTS of practice, you become masterful with the instrument, the feeling of the music will be in your blood and you can “just play the songs” with other musicians by putting your attention on the co-creation NOT on the music itself.

When you first start coaching, just follow the Guides. Metaphorically speaking, you will be able to create pleasing music and hopefully continue to fuel your desire to pursue mastery. When you fully “own” every question and every language pattern you will start to craft your own method that is a blend of “Play Life” and Your Life. SWEET!

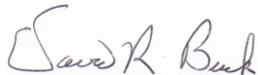

Before you use the Guide with a player read it over many times. Read it out loud a few times. Get a feeling for the words, the questions, the ideas and the flow of the conversation.

When you are first learning, follow the Guides closely; put your attention on observing your player as they respond to the questions.

Within each Guide there are places to follow your intuition and places to “full on improvise”. For example, when doing a Role Play with your player.

Using these coaching guides, you will create a great experience for your players AND you will learn the Play Life Method, the Guided Practice and the Energy Alignment Path to personal growth. (ALL AT THE SAME TIME!)

Enjoy every moment...

Coach Dave Buck and the CV Team!

Notice this format:

1) INTRODUCTION << You don't say the headings to your player

ASK: Are you ready to go?

{Coach: wait for them to SAY: YES}

You say to the player the text after the **ASK:** While sounding conversational; as if that question just popped into your mind.

The copy in Red – {also in curly brackets if you don't see color} are notes with instructions for you that you don't say to the player.

*** Exploratory Conversation Guide on the next page ***

{You are the coach, so start the conversation by guiding it right away.}

1) WARMUP

SAY: "I am really looking forward to this exploratory conversation. I can't wait to see what we discover together. It will take about 20 minutes."

ASK: Are you ready to go?

{Coach: wait for them to SAY: YES}

2) COACHING PLAN

SAY: "OK. Let's go. So, as I mentioned I am participating in a Transformation Coaching program called the Play Life Method and they are really big on looking at the world around us as a Play Life Station. And your Dream is like a game that you put into the Play Life Station. It can be your business or career or any aspect of your life. My role as the coach is to help you play better, unleash your superpowers and step into new possibilities as you play your dream."

3) PLAY TOGETHER (DISCOVER THEIR DREAM)

ASK: If you looked at your life / business / career as playing your Dream...What would you say your BIG Dream is right now?

{Coach: listen and ask any curious questions that pop up for you}

SAY: "Next let's explore the idea of peak experiences. A Peak experience is when you rise up to a challenge or do something great or something great happens."

ASK: What are few peak experiences you want over the next 3 months?

{Coach: listen and ask any curious questions that pop up for you}

You may want to ASK: "Anything else?" a few times to get to the deeper stuff.

FIND THE GAP

SAY: In coaching first we clarify the Dream, then we need to find the gap. The gap is your vision for how you want to play bigger or better. It can be stepping out of your

comfort zone to do something new or doing something in a new way. There may be some new experiences or results that you want to create.

ASK: What are some ways you can imagine playing better?

{Coach: listen and **AVOID AVOID AVOID** offering solutions!!

You may want to ASK: “Anything else?” a few times to get their imagination flowing. Ask any curious or clarifying questions that pop up for you}

ASK: What would you say is the BIG Growth Opportunity, BIG Challenge or the BIG “Drama” of this adventure?

{Coach: listen and have fun teasing this out with them; play up the EPIC adventure dynamic to make it more playful}

EXPLORE SUPERPOWERS

SAY: As we play your Dream I want to help you express your unique abilities and develop your superpowers.

ASK: What would you say are some of your unique abilities or Superpower potential that we can develop together over the next 12 weeks)?

{Coach: This is just to set a tone and get them thinking about having Superpowers. They may not know what they are. Listen and ask any curious questions that pop up for you; but this is NOT the time to go DEEP on this topic. That will come later.}

4) GROWTH ZONE

MOMENT OF CHOICE

{Coach: Here you have to choose! Do you have a good connection with them? Does something about them intrigue you as a learning opportunity for you?}

If YOU are a “YES”:

Only say the RED part if you are going to charge for the coaching.

ASK: *Can I tell you how the money works? And then you can decide if you* would you like to be one of my players?

If they say “yes”, move on to #5A. If not, skip to 5B.

If YOU are a “no”, skip to 5B.

5A) PLAY PLAN (the days ahead)

IF you are charging... (otherwise, skip down to CONFIRM THE COMMITMENT)

EXPLAIN THE MONEY

(Be sure to edit the yellow highlighted part with your financial details)

SAY: So, in order to earn my coaching certification, I need to accumulate 450 paid coaching hours! It's a lot. While I am on my way to certification, I am offering a super affordable introductory rate of \$360 for 12 sessions. If you are good at math, you know that is \$30 / session. Amazing value!

Plus, you get the playbook and prep audios and playsheets and there is a community on the CoachVille App for all the players in the Play Life program which you might really enjoy.

AND ...

You don't pay until after our 4th session. If after our 4th session you want to keep going, then the investment is \$360 – and you can pay in 3 \$120 payments each month.

If you don't want to keep going, then there is no payment, and we consider the 4 sessions pro bono and we both learned from the experience together.

ASK: Does this sound fair to you?

CONFIRM THE COMMITMENT

SAY: Excellent. I just want to confirm that you are committing to meet with me for about 45 minutes each week. If we can't do a session one week for some reason, we will try to make it up the next week.

ASK: Are you good with that?

{Coach: wait for them to SAY: YES}

SAY: Let's get our first two session on the calendar now.

AND... Sessions 1 and 2 may be closer to an hour because we are going to get into the details of how you are going to Play for your dream

{get your first 2 sessions set up in your calendar for as soon as possible after the start date for the program}

ENDING

SAY: "Great! Talk to you soon"

5B) If either of you say "no": thank them for their time.

SAY: I have learned a lot from this conversation. Thank you. But I don't think we are a good match for coaching together. Thanks so much for your time today!

00 Coaching Guide for STRONG Exploratory Session

{You are the coach, so start the conversation by guiding it right away.}

1) WARMUP

SAY: "I am really looking forward to this exploratory session. I can't wait to see what we discover together. It will take about 30-40 minutes."

ASK: Are you ready to go?

{Coach: wait for them to SAY: YES}

COACHING PLAN

SAY: "OK. Let's go. So, as I mentioned I am participating in a Transformation Coaching program called the Play Life Method and we are really big on looking at the world around us as a Play Life Station. My role as your coach is to help you play better, unleash your superpowers and step into new possibilities as you play your dream.

In this session today we are going to talk about your Dream and do a powerful coaching technique together."

WARM UP

SAY: "OK. Let's start with a quick warm up. We will do 3 Connecting Breaths to warm up our wisdom and a 30 second visualization to warm up our imaginations.

SAY: A Connecting Breath is a BIG breath in and a SLOW breath out.

Breathing in, to a count of 4, and breathing out to a count of 7. If you are in a safe place, you can close your eyes. If possible, put your feet flat on the floor and rest your hands on your lap or place them over your heart.

{do this in a quiet voice}

SAY: Here we go...

SAY: Big breath in ...**{pause}** and a slow breath out

SAY: Breathing this way creates a strong connection between the heart and the mind.

SAY: Next, we will do a 30 second visualization. Keep your eyes closed if you can. Use your imagination to see yourself doing something you really enjoy. Do your best to see it and feel it in your body. After you start the scene, allow your imagination to take you where it wants to go.

SAY: 30 seconds... here we go.

{wait approximately 30 seconds}

SAY: OK Excellent. Thanks for doing that with me.

{wait for them to say: Yes}

2) CELEBRATION

ASK: Can you share with me something you would love to celebrate about your life right now?

{Listen and Champion their experiences and insights}

3) PLAY TOGETHER (DISCOVER THEIR DREAM)

1) NAME THE DREAM

ASK: If you looked at your life / business / career as playing your Dream...What would you say your BIG Dream is right now?

{Coach: listen and ask any curious questions that pop up for you}

ASK: What does success look like for you over the next 3 months?

{Coach: listen and ask any curious questions that pop up for you}

You may want to ASK: "Anything else?" a few times to get to the deeper stuff.

2) PEAK EXPERIENCES

SAY: Now the next part is to talk about a few of the peak experiences you want to co-create by playing this Dream. A Peak Experience is usually a playful social action where something awesome happens.

ASK: What do you want to experience? Any ideas?

{Here you jump into co-create!! If they don't see it, share a few examples from what you heard them say so far}

ASK: What is the MOST meaningful moment you are aiming for?

PRACTICE with Peak Experience Technique

SAY: “OK, next are going to use the Peak Experience Technique to practice this moment. The important idea here is that we can practice life... similar to the way athletes and performance artists practice using visualization.

The purpose of practice is 2 BIG things:

- 1) You Grow as we practice together
- 2) Practice reveals more growth opportunities

SAY: “The first step is to co-create the social action, intended feelings and result.

(1) **ASK:** “What is the social action you are going to do in an awesome way?

{Listen, you MAY need to help them talk it through.}

ASK: “What do YOU want to feel while you are doing this action?

{Listen, you MAY need to help them talk it through.}

(2) **ASK:** “What do you want the other person to feel when they engage with you or with what you created?

{Listen, you MAY need to help them talk it through.}

(3) **ASK:** “What do you want the other person to do?

{Listen, you MAY need to help them talk it through.}

PRACTICE

SAY: “We are going to use your imagination to embody this experience. We will do this in two phases, first the action that you are doing and then the result within the other person. And the “trick is to pay attention to both your thoughts and your body sensations as we visualize”.

ASK: “Do you feel safe closing your eyes?”

{Wait for them to say: Yes}

SAY: OK, close your eyes for a moment. Take a deep connecting breath....{pause}

(4) Now bring into your imagination a scene of you doing the action in an awesome way. Your imagination is so powerful. Let it fill in all the details... as you see it and feel it as deeply as you can.

{You can repeat the action and the scene}

{pause 20 seconds}

Next bring in the feeling you want to experience while you are doing this action.

{You can repeat the feeling to them}

{pause 20 seconds}

Take a moment to notice any thoughts coming into your mind.

ASK: Can you share one with me...

{pause & listen}

SAY: Notice any body sensations that are coming into your awareness.

ASK: Do you notice anything?

{pause & listen}

IF YES

ASK: Can you share one with me...

IF NO

SAY: That's OK.

(5) **SAY:** You are doing great. Next, I want you to push your energy out to another person.

{coach, fill in the details based on the situation}

{Pause 30 seconds}

(6) **SAY:** Imagine them feeling {fill in the blank from what they shared}.

{pause}

(7) SAY: Imagine them enjoying it and doing {fill in the blank with the action they want}.

{pause}

SAY: Now notice any thoughts popping into your mind as you imagine the other person in this scene.

ASK: Keep your eyes closed for just a moment more and share with me what you notice.

{listen. Affirm by saying: "I can see that"}

SAY: Next notice any physical sensations in your body as you imagine the other person in this scene.

ASK: Share with me anything you notice...

{listen. Affirm by saying: "I can feel that"}

GROW

SAY: Great! You can open your eyes now. Next, we will explore the experience to look for growth opportunities.

(8) ASK: Of all the thoughts you noticed during the visualization, which are you most curious about and why?

{Coach. Listen. Then you can share your insights about how the thoughts reveal growth opportunities}

(9) ASK: Of all the physical sensations you noticed in your body which are you most curious about and why?

{Coach. Listen. Then you can share your insights about how the physical sensations often reveal doubts and fears that are growth opportunities }

(10) ASK: One last thing about the experience, when you were in the visualization, did you notice any desires coming up? Desires often reveal growth opportunities.

{Listen and dialogue with them; share your observations}

{They may have felt joyful in the scenes, They may have felt doubt or even fear.}

{It's all about noticing opportunities for growth.}

SAY: I acknowledge your courage and playfulness! Awesome.

4) FIND THE GAP TOGETHER

SAY: Next we want to talk in general about the growth gap. The growth gap is your vision for how you want to play bigger or better. It can be stepping out of your comfort zone to do something new or doing something in a new way. There may be some new experiences or results that you want to create.

ASK: What are some ways you can imagine playing better?

01 Coaching Guide for Step #01: Share the Dream

1) WARMUP

SAY: "I am really excited about coaching with you. I can't wait to see what we co-create together."

ASK: Do I have your permission to be your coach today? Are you ready to get started?

{wait for them to say, YES}

AFFIRM COACHING AGREEMENT

SAY: The first thing we need to do – and we only need to do this once, is a quick verbal recap of our Coaching Agreement.

ASK: I just want to confirm that you read the coaching agreement.

{wait for yes}

SAY: #1 Coaching is focused on growth by practicing together and exploring situations for new awareness. We are not doing therapy with the focus on healing. And I am not going to give you any legal, medical, or financial advice. Often coaching can have healing side-effects, but that is not our focus.

SAY: #2 We can talk about anything you want to talk about, past, present or future, AND if something comes up that seems like it requires a psychological, legal, medical or financial professional, we will agree together for you to bring those specifics to another professional.

ASK: *Are you ok with that?*

{wait for yes}

SAY: #3 As your coach I am not going to do any tasks or projects on your behalf. If we both want me to do something for you, that will be outside of this coaching agreement.

ASK: *Are you ok with that?*

{wait for yes}

SAY: #4 There are a few boundaries that our conversations cannot cross. As a coach I take an ethics oath that I am not a supremacist; meaning, there is no inherent superiority or rulership of one person over another. So, we can't get into anything involving for example: white supremacy, male supremacy, religious supremacy or wealth supremacy.

ASK: *Are you ok with that?*

{wait for yes}

SAY: #5 Our coaching sessions are confidential. What that means is that I won't share anything about our sessions with anyone without your permission. You can share about anything that you want to. There are two exceptions:

- 1) There is no coach-client privilege by law in the US. So, if for some reason I receive a subpoena to testify in court about our sessions, I would have to do so.
- 2) If you talk about harming yourself or someone else, I would be obligated to seek assistance.

ASK: *Are you ok with that?*

{wait for yes}

SAY: One more thing. Today, we are going to co-create some clarity on the focus of our coaching together. And we will go in that general direction using the Play Life Method. At any time, you can decide to change our focus. Our focus is always your choice.

ASK: *Are you ok with that?*

{wait for yes}

SAY: Whew! OK we are in the clear!

{coach, you can rephrase this in your own words 😊}

WARM UP

SAY: "OK. Let's start with a quick warm up. We will do 3 Connecting Breaths to warm up our wisdom and a 30 second visualization to warm up our imaginations.

SAY: A Connecting Breath is a BIG breath in and a SLOW breath out.

Breathing in, to a count of 4 and breathing out to a count of 7. If you are in a safe place, you can close your eyes. If possible, put your feet flat on the floor and rest your hands on your lap or place them over your heart.

{do this in a quiet voice}

SAY: Here we go.

SAY: Big breath in ...{pause} and a slow breath out

SAY: Big breath in ...{pause} and a slow breath out

SAY: Big breath in ...{pause} and a slow breath out

SAY: Breathing this way creates a strong connection between the heart and the mind.

SAY: Next we will do a 30 second visualization. Keep your eyes closed if you can. Use your imagination to see yourself doing something you really enjoy. Do your best to see it and feel it in your body. After you start the scene, allow your imagination to take you where it wants to go.

SAY: 30 seconds... here we go.

{wait approximately 30 seconds}

SAY: OK Excellent. Thanks for doing that with me.

NOTE: *if they want to share what they saw, definitely encourage them to do so.*

ASK: Are you ready to dive in?

{wait for them to say: Yes}

2) CELEBRATION

ASK: Can you share with me something you would love to celebrate about your life right now?

{Listen and Champion their experiences and insights}

3) GROW ~ FROM PLAY

ASK: Did any insights about your Dream or “playing Life” come up since our exploratory session?

{This is to create a sense of flow from one session to the next}

4) PRACTICE PLAN (Activate the Dream)

SAY: We started talking about your Dream in our exploratory conversation. Our coaching plan for today is to Activate your Dream like a Hero’s Journey for the Play Life Station, and then do a coaching technique together called the Peak Experience.

ASK: Does that sound good to you?

{wait for them to say YES}

A) DREAM

ASK: Share with me (again) your big DREAM right now?

{Listen and clarify}

ASK: How will playing this dream change lives for the better?

{Listen and clarify; this purpose-oriented question gets them out of isolation and into the world}

ASK: Let's come up with a fun name for your dream. Any ideas?

{Help them come up with a short phrase for the dream. It doesn't need to be fancy}

5) PRACTICE TOGETHER ~ Explore the Growth Gap

B) BECOMING THE NEXT VERSION OF YOU

SAY: Every Hero's Journey story is a story of becoming the SUPER YOU version of you.

ASK: What are your Superpowers that you want to express or develop as you pursue this dream?

{Listen and clarify; this is another question to spark imagination}

ASK: What would playing at a high-level look like for you? What do you believe is possible?

{Listen and clarify; this is a question to spark imagination and illuminate the GAP}

C) CHALLENGES BECOME GROWTH OPPORTUNITIES

SAY: Every good hero's journey story also has some worthy challenges to overcome.

ASK: What are some of the challenges you are facing or expect to face as you play this DREAM?

{Listen and clarify; AVOID offering solutions to the challenges. Stay in a calm, assured energy knowing that these challenges are going to be fun to explore}

ASK: How are these challenges asking you to grow?

If they seem to be in a perfection trap, you can try this question...

***ASK:** *Is there a place you can allow yourself to be a beginner and NOT KNOW?*

D) SPIRIT OF PLAY

SAY: Our aim together is to make this adventure transformational AND fun!

ASK: How can you bring the spirit of play and fun into playing your dream?

{Here, you just want to get a feel for their current level of playfulness}

E) PEAK EXPERIENCES

SAY: Now the next part is to talk about a few of the peak experiences you want to co-create by playing this Dream. A Peak Experience is usually a playful social action where something awesome happens.

It can be from what we have already spoken about or something you haven't said yet.

ASK: What do you want to experience? Any ideas?

{Here you jump into co-create!! If they don't see it, share a few examples from what you heard them say so far}

ASK: What is the MOST meaningful moment you are aiming for?

PRACTICE with Peak Experience Technique

SAY: "OK, next are going to use the Peak Experience Technique to practice this moment. (like we did in the Exploratory Session) The important idea here is that we can practice life... similar to the way athletes and performance artists practice using visualization.

SAY: "Great, next let's co-create the social action, intended feelings and result.

(1) *ASK:* "What is the social action you are going to do in an awesome way?

{Listen, you MAY need to help them talk it through.}

ASK: "What do YOU want to feel while you are doing this action?

{Listen, you MAY need to help them talk it through.}

(2) *ASK:* "What do you want the other person to feel when they engage with you or with what you created?

{Listen, you MAY need to help them talk it through.}

(3) *ASK:* "What do you want the other person to do?

{Listen, you MAY need to help them talk it through.}

PRACTICE

SAY: "We are going to use your imagination to embody this experience. We will do this in two phases, first the action that you are doing and then the result within the other

person. And the “trick is to pay attention to both your thoughts and your body sensations as we visualize”.

ASK: “Do you feel safe closing your eyes?”

{Wait for them to say: Yes}

SAY: OK, close your eyes for a moment. Take a deep connecting breath....{pause}

(4) Now bring into your imagination a scene of you doing the action in an awesome way. Your imagination is so powerful. Let it fill in all the details... as you see it and feel it as deeply as you can.

{You can repeat the action and the scene}

{pause 20 seconds}

Next bring in the feeling you want to experience while you are doing this action.

{You can repeat the feeling to them}

{pause 20 seconds}

Notice any thoughts coming into your mind.

ASK: Can you share one with me...

{pause & listen}

SAY: Notice any body sensations that are coming into your awareness.

ASK: Do you notice anything?

{pause & listen}

IF YES

ASK: Can you share one with me...

IF NO

SAY: That's OK.

(5) **SAY:** You are doing great. Next, I want you to push your energy out to another person.

{coach, fill in the details based on the situation}

{Pause 30 seconds}

(6) **SAY:** Imagine them feeling {fill in the blank from what they shared}.

{pause}

(7) **SAY**: Imagine them enjoying it and doing {fill in the blank with the action they want}.

{pause}

SAY: Now notice any thoughts popping into your mind as you imagine the other person in this scene.

{Coach: listen

SAY: “Can I share an observation?”

{Coach: share an observation about your player’s superpower potential and the pursuit of their dream.}

ASK: “How do you feel about your clarity of your Dream and Playful Action Opportunities?”

{Coach: listen and share}

7) PLAY PLAN ~ for the days ahead

SAY: “OK, let’s make sure we have a Play Plan...”

ASK: For this week what transformation can we focus on? From A to B?

{Coach: listen and CO-CREATE }

ASK: “What are the playful actions you will focus on?”

{Coach: listen

ASK: “How can you use what you learned in our session?”

{Coach: listen

ASK: “What resources or support will you need for this play plan?”

{Coach: listen their need for support OR highlight possible obstacles}

02 Coaching Guide for Step #02: Design the Way to Play (for the Dream and Peak Experiences)

1) WARMUP & Speak the Dream

SAY: "I am really excited about coaching with you today. I can't wait to see what we co-create together."

ASK: Do I have your permission to be your coach today? Are you ready to get started?

{wait for them to say, YES}

SAY: "OK. Let's start with a quick warm up. Just like last session, we will do 3 Connecting Breaths to warm up our wisdom and a 30 second visualization to warm up our imaginations.

SAY: A Connecting Breath is a BIG breath in and a SLOW breath out.

If you are in a safe place, you can close your eyes. If possible, put your feet flat on the floor and rest your hands on your lap or place them over your heart.

{do this in a quiet voice}

SAY: Here we go...

SAY: Big breath in ...*{pause}* and a slow breath out

SAY: Big breath in ...*{pause}* and a slow breath out

SAY: Big breath in ...*{pause}* and a slow breath out

SAY: Breathing this way creates a strong connection between the heart and the mind.

SAY: Next we will do a 30 second visualization. Use your imagination to see yourself doing something for your Dream. Do your best to see it and feel it in your body as deeply as you can.

SAY: 30 seconds... here we go.

{wait approximately 30 seconds}

SAY: OK Excellent. Thanks for doing that with me.

NOTE: *if they want to share what they saw, definitely encourage them to do so.*

SAY: OK. The final warm up step is to share with me a 30-second version of your BIG Dream to keep it plugged into the "Play Life Station".

{Listen. Then when they finish...}

SAY: I can see you doing that!

{pause for a moment}

ASK: Alright! We are warmed up now. Are you ready to dive in?

{wait for them to say: Yes}

2) CELEBRATION

ASK: Please share with me anything that you want to celebrate from your life or playing your Dream on the Play Life Station?

{Listen and champion them}

3) GROW from Play

SAY: Every session we will explore what happened playing your Dream since our last session to look for growth opportunities.

ASK: What were some of the playful actions you took and what happened?

{Coach: listen; especially for actions and results to **celebrate!!**. It is important that they know that you care about how they play each week}

ASK: Share with me any insights you had about playing your Dream?

{Coach: listen and ask any curious questions that pop up for you}

4) PRACTICE Plan

SAY: Today we are going deeper into playing your DREAM with social actions and design the way to play for the peak experiences you desire.

5) PRACTICE Together & Explore the Growth Gap

A) DESIGN THE DREAM OBJECTIVES and ULTIMATE EXPERIENCES

SAY: The BIG IDEA of playing your dream is to create Peak Experiences. We are going to talk more about the Peak Experiences that you want to co-create on a regular basis and the Ultimate Experiences when things come together over the next few months.

These will evolve as we play. So today we are going to focus on “Play Plan Version 1”.

ASK: What are some of the Ultimate **OUTCOME Experiences** that you want to have before 3 months pass? An ultimate outcome is when your results in the world accumulate into an experience that you desire.

{Listen and clarify; you may need to help them with the idea that an outcome is an experience”}

ASK: We spoke about this a little bit in our last session. What are some actions that you want to get really good at doing in pursuit of **MASTERY** over the next 3 months.

{Listen and clarify}

ASK: Any further thoughts about who you want to **BECOME** – what superpowers you want to develop – as you face the challenges of playing your dream?

{Listen and clarify}

SAY: We are going to explore a few **UPGRADES** to your environment that you want to make so that you can play at a high level? Things like resources, assets, and connections that you will need.

ASK: To use a metaphor... if you were going to play this dream at an Olympic Level, what resources and support would be in your Olympic training center?

{Listen and help them imagine using the Olympic Training Center as a metaphor}

ASK: What **UPGRADES** to your environment do you want to enjoy as a reward for becoming a great player and making a difference in the world?

{Listen and help them imagine the “Things” they would love to have in their experience}

B) PLAY FOR THE DREAM using the Social Play Model + Peak Experiences

SAY: Now that we have the big picture, we are going to get into the details of how you will play your Dream with a flow of social play activities in pursuit of Peak Experiences. Remember, this is just version 1 we are creating today.

PLAY FOR TRANSFORMATION!

SAY: Most Dreams have what we call a Play for Transformation Experience that is what you really want to do or experience with people in your world. In a business for example, this would be a paying client using your services.

ASK: What is an example of a Play for Transformation for your Dream? This is you, doing your thing that you really want to do with people.

{Listen, then CO-CREATE WITH THEM. you MAY need to make a suggestion to get them started

ASK: And what is the Transformation you want to co-create with them?

{Listen, you MAY need to make a suggestion to get them started

CREATE FOR INSPIRATION to SHARE

{Coach, write these ideas in the Explore Box on your coaching notes sheet}

SAY: Next we need to co-create the sequence of social play actions that will lead to your Play for Transformation Experience. Let's start with Create for Inspiration. Create - is an idea or thing or experience that you want to share with others. And Inspiration, is how you want to impact other people in a positive way. And the intention is to SHARE it with other people to spark new or deeper relationships.

ASK: what are some examples of a creating for your Dream?

{Listen, you MAY need to make a suggestion to get them started

ASK: And what is the Inspiration you want to have?

{Listen, you MAY need to make a suggestion to get them started

EXPLORE FOR VISIBILITY to INVITE

SAY: Explore is when you are venturing into new territory and Visibility is when you meet someone new to share your idea. This can be going places to meet people, participating in online communities or sharing something you created online. When you meet someone that you click with, you may want to INVITE them to connect further.

ASK: what are some examples of an exploring actions for your Dream?

{Listen, you MAY need to make a suggestion to get them started}

ASK: And what is the Visibility you want to experience? Or what type of people do you want to meet?

{Listen, you MAY need to make a suggestion to get them started}

ASK: When you meet someone that you like, what do you want to INVITE them to do next?

{COACH: Co-create a few examples together. Write them into the play sheet as you go

RELATE FOR INFLUENCE to OFFER

SAY: Next is Relate for Influence. Relate is when you are interacting with someone to develop a deeper connection, and influence is usually when you want them to say YES to an offer to do something together.

ASK: what are some examples of a relating action for your Dream? What do you like to talk about to create a relationship with someone?

{Listen, you MAY need to make a suggestion to get them started}

ASK (a few times): Anything else?

{COACH: Co-create a few examples together. Write them into the play sheet as you go along}

ASK: And what is an experience that you want to OFFER to do with them; this is the influence part?

{Listen, you MAY need to make a suggestion to get them started}

CO-CREATE FOR INSPIRATION to ENROLL

SAY: Co-Create for Inspiration is a shared experience you do to get to know someone better and see if you resonate together. And Inspiration, is how you want the other person to feel in a positive way. And the intention is to ENROLL people to spark new or deeper relationship with you (or your team).

ASK: what are some examples of co-created experiences for your Dream?

{Listen, you MAY need to make a suggestion to get them started}

ASK: And what is the Inspiration you want to have?

{Listen, you MAY need to make a suggestion to get them started}

SAY: Then there is probably something you want to ENROLL people into.

C) PEAK EXPERIENCE TECHNIQUE

SAY: Let's activate your imagination and practice one of these actions using the Peak Experience Technique that we did in our last session.

ASK: Which one do you want to practice?

{Listen and help them choose one}

SAY: "Great, first let's clarify the social action, intended feelings and result.

(1) ASK: “Describe the social action you are going to do in an awesome way?”

{Listen, you MAY need to help them talk it through.}

ASK: “What do YOU want to feel while you are doing this action?”

{Listen, you MAY need to help them talk it through.}

(2) ASK: “What do you want the other person to feel when they engage with you or with what you created?”

{Listen, you MAY need to help them talk it through.}

(3) ASK: “What do you want the other person to do?”

{Listen, you MAY need to help them talk it through.}

PRACTICE

SAY: “We are going to use your imagination to embody this experience. We will do this in two phases, first the action that you are doing and then the result within the other person. And the “trick is to pay attention to both your thoughts and your body sensations as we visualize”.

ASK: “Do you feel safe closing your eyes?”

{Wait for them to say: Yes}

SAY: OK, close your eyes for a moment. Take a deep connecting breath....{pause}

(4) Now bring into your imagination a scene of you doing the action in an awesome way. Your imagination is so powerful. Let it fill in all the details... as you see it and feel it as deeply as you can.

{You can repeat the action and the scene}

{pause 20 seconds}

Next bring in the feeling you want to experience while you are doing this action.

{You can repeat the feeling to them}

{pause 20 seconds}

Notice any thoughts coming into your mind.

ASK: Can you share one with me...

{pause & listen}

Notice any body sensations that are coming into your awareness.

ASK: Share with me anything you notice...

{pause & listen}

{listen. Affirm by saying: "I can see that"}

(5) SAY: OK. You are doing great. Next, I want you to push your energy out to another person.

{coach, fill in the details based on the situation}

{Pause 30 seconds}

(6) SAY: Imagine them feeling {fill in the blank from what they shared}.

{pause}

(7) SAY: Imagine them enjoying it and doing {fill in the blank with the action they want}.

{pause}

SAY: Now notice any thoughts popping into your mind as you imagine the other person in this scene.

ASK: Keep your eyes closed for just a moment more and share with me what you notice.

{listen. Affirm by saying: "I can see that"}

SAY: Next, notice any physical sensations in your body as you imagine the other person in this scene.

ASK: Share with me anything you notice...

{listen. Affirm by saying: "I can feel that"}

GROW

SAY: Great! You can open your eyes now.

(8) ASK: Of all the thoughts you noticed during the visualization, which are you most curious about and why?

{Coach. Listen. Then you can share your insights}

(9) ASK: Of all the physical sensations you noticed in your body which are you most curious about and why?

{Coach. Listen. Then you can share your insights}

(10) ASK: One last thing, when you were in the visualization, did you notice any desires coming up?

{Listen and dialogue with them; share your observations}

{They may have felt joyful in the scenes, They may have felt doubt or even fear.}

{It's all about noticing opportunities for growth.}

SAY: I acknowledge your courage and playfulness! Awesome.

6) GROWTH ZONE (From Practice)

SAY: I think you are going to have a lot of fun playing for your Dream this way!

SAY: “OK, this is a good time to switch into the growth zone”

ASK: “What did you learn about playing your dream today?”

{Coach: listen}

ASK: “What did you learn about yourself in this session?”

{Coach: listen}

SAY: “Can I share an observation?”

{Coach: share an observation about your player's superpower potential and the pursuit of their dream.}

ASK: “How do you feel about your clarity of playing your Dream?”

{Coach: listen and share}

7) PLAY PLAN FOR THE DAYS AHEAD

SAY: “OK, let's make sure we have a Play Plan...”

ASK: For this week what transformation can we focus on? From A to B?

{Coach: listen and CO-CREATE }

ASK: “How can you use what you learned in our session in the days ahead?”

{Coach: listen}

ASK: “What are the actions (or perspectives) you will focus on?”

{Coach: listen

SAY: Notice the conversations you have that are important as you play for your dream. Choose one that we can play with together in our next session.

ASK: “Can you do that?”

{Wait for them to SAY: “YES!”}

ASK: “What resources or support will you need for this play plan?”

{Coach: listen their need for support OR highlight possible obstacles}

ASK: “How will you keep our play plan alive between now and our next session?”

{Coach: listen their need for support or structure}

SAY: Continue bringing the spirit of play to as many of your actions and experiences as you can.

ASK: “Can you do that?”

{listen and champion}

3) GROW (from Play)

EVALUATE THE EXPERIENCE OF PLAY

SAY: Let's get into your experience of play from the past week. We will talk about actions where you got results; actions where you didn't get the results you wanted and actions that you didn't take at all.

We will look at all of it with Judgment-Free Awareness which means we keep a curious, open mind.

ASK: OK?

{wait for the “Yes”}

A) *ACHIEVED DESIRED RESULTS (and EXPERIENCES)*

ASK: Let's start with **ACTIONS** where you got your desired **RESULTS** or had a peak experience. Did anything like that happen?

*{they don't need to repeat anything that came up in the Celebration}
{if no results skip to 4B}*

SAY: WOW. That is great playing.

ASK: What can you learn from this experience of getting your desired **RESULTS**?

{Listen and celebrate / champion them!}

{skip to here for NO results}

B) DID NOT ACHIEVE DESIRED RESULTS

(Make a list)

C) CHALLENGES

How would you describe the **CHALLENGE**?

{Listen! You may need to help them explore what the challenges are; BUT don't offer solutions to the challenges}

{choose 1 or 2 of these follow up questions...}

ASK: How is this **CHALLENGE** asking you to grow?

ASK: What is the Superpower that this challenge is ASKing you to develop or expand?

ASK: How can we bring the Spirit of Play to this **CHALLENGE** the next time?

D) ACTIONS AVOIDED

ASK: Next let's explore Pivotal Moments where you were intending to take an **ACTION** but you did not.

What happened? What got in your way?

{Listen! Stay in judgment free awareness. You may need to introduce JFA to your player if they start judging themselves or their situation.}

4) PRACTICE PLAN ~ {Choose a PIVOTAL Moment}

Set Up) Choose the Pivotal Moment

ASK: Of all of the activities in your dream where you are a bit stuck - not taking the action - or not getting the results you want, which one do you think is most important for us to practice right now?

SAY: This is a great opportunity for us to use a powerful coaching technique called “Pivotal Moment”. With the Pivotal Moment we go a little deeper than we do with the Peak Experience Technique.

ASK: Let’s use this technique to explore this situation. Is that ok with you?

5) PRACTICE TOGETHER ~ PIVOTAL Moment Technique}

SAY: OK let's make sure we are clear on the social action and the desired result.

Can you recap it for me?

{Listen; you may need to help them}

5.1) P/Replay the Pivotal Moment (Control)

Ensure a Safe Space

SAY: It is important when we are using this technique that we maintain judgment-free awareness. Any thought or feeling that you share is useful. OK? Be open to whatever comes up.

ASK: Are you in a place where you can safely close your eyes?

{Wait until they SAY yes...}

SAY: close your eyes, breath naturally, and take a few moments to create the scene in your mind using your imagination.

{give them about 30 seconds}

Create the scene

SAY: Tell me a little bit about the scene. Where are you?

{Listen}

5.2) Review Reactions with Judgment-Free Awareness

SAY: Now we are going to look at the moment from several different perspectives. Just keep breathing naturally; keep your eyes closed and we'll talk together.

ASK: Using Judgment-Free Awareness what **thoughts** do you notice going through your mind?

{Listen}

5.3) Feel the Energy in the Body

SAY: Take a moment to scan your body for physical sensations from the top of your head to your waist.

ASK: Do you notice any physical **sensations**? Perhaps in your gut, chest or throat?

{Listen}

CHOOSE A OR B

A) {if they DON'T notice a physical sensation}

SAY: *that is ok. Often when we experience resistance there is a sensation in the body somewhere. Often it is quite subtle like a little buzzing or tingling sensation.*

{wait a few moments to see if they notice something.}

{If not, Go down to #3.4 Scan for Body Beliefs}

B) {if they DO notice a physical sensation}

SAY: I acknowledge your courage for noticing and feeling these sensations!

Feel the energy in the body

IF they mention more than one body sensation...

ASK: Which sensation is most intense?

{Let them answer to choose which sensation to focus on}

ASK: Does the energy have a shape?

ASK: Does the energy have a color?

ASK: Does the energy have a temperature?

SAY: OK, now all you need to do is just allow yourself to feel that **{temp/color/shape in location}** for 30 seconds. Just welcome it, allow it to be there and feel into it as deeply as you can.

ASK: Do you think you can do that?

{Wait for the "yes"}

SAY: OK, I will time you. I will be here if you want to SAY anything.

For 30 seconds. Here we go.

at 15 seconds quietly SAY: keep going

at 30 seconds quietly SAY: excellent. You did it.

Memory Pops

ASK: What was that experience like? Did anything come up for you?

{If your player has a "Memory Pop"}

{Just listen! Don't judge the memory or try to fix anything}

5.4) Scan for Body Beliefs

Explore the "energy" for a self-preservation instinct

SAY: The moment we are practicing is bringing up a fear or belief that resembles an experience from your past. It is trying to keep you safe.

SAY: This is natural. Let's explore it together.

SAY: Try to fill in the blank of this statement:

SAY: It's not safe for me to....."fill in the blank"

{Listen; if they are having trouble finding the words offer suggestions}

5.5) Explore the Superpower Potential

SAY: Often when we feel that we are not safe, what we are protecting is our own unique power or playfulness; because often we have gotten in trouble for it in the past.

ASK: Do you have an inkling about the **Superpower** or playfulness that may be in the shadow of this belief in your body?

{Listen; help them tease this out; they will need your full presence for this part}

5.6) Make the Mind the Ally of the Dream (Respond)

SAY: OK. Now we are going to create a new picture for you to live into.

ASK: What does your dream want you to do in this situation?

{wait and listen}

ASK: Let's state your Dream's Intent in a short power phrase...

{Listen – you can help them form it into a phrase}

5.7) PREplay the Pivotal Moment (Co-Create)

SAY: Next, close your eyes again for a few moments.

SAY: Now PREplay the scene the way you want it to be; keep your power phrase in your heart; imagine you have power, freedom and the capability to make the right moves.

{wait a few moments}

SAY: Now, see yourself getting the results you desire. See it turning out just right.

{wait a few moments}

SAY: Open your eyes again and share with me a little bit of what you saw

ASK: What are your insights from this exploration?

{Listen. You will learn a lot about your players growth opportunities}

SAY: (something encouraging & acknowledging) “That was amazing. You did well in that exercise!”

6) GROW ZONE

SAY: “OK, this is a good time to switch into the growth zone”

ASK: “What did you learn about playing your dream today?”

{Coach: listen }

ASK: Important **RESULTS** ?

ASK: Pivotal Moments?

ASK: Biggest **CHALLENGE** & growth opportunity?

{listen and co-create awareness}

4) PRACTICE PLAN

Introduce the idea of environments

SAY: One of the most important factors of playing your Dream is a supportive environment! We call this World Power because it's about seeing your world as a personal success academy that is helping you grow rather than an obstacle to overcome. So today we are going start designing a winning environment for you.

SAY: There are 2 high-impact techniques that we will do together

A) Zapping Tolerations

B) 3 MOST Influential people

ASK: Are you ready to play?

{wait for them to say Yes}

5) PRACTICE TOGETHER ~ Uplevel the player's environment

5A) ZAPPING Toleration Technique

SAY: Toleration Zapping is one of the most energizing things you can do. The concept is that EVERYTHING has an energetic impact on you. It is either adding energy to you OR depleting or draining your energy.

SAY: Your environment is people, places, things and ideas. When an environment is too full of tolerations you start to go numb, which then limits your ability to feel powerful and alive. For example: Incompletions like broken promises and broken things are pretty much universally draining.

5A.1) Choose a toleration to zap

ASK: Do a scan of your physical environment and notice a few tolerations that are obviously draining your energy. Every time you see it or think of it you think: oh, I have to take care of that?

{Listen and make a short list}

{it is usually easiest to start with things and places}

ASK: Which one do you think would be most energizing to zap this week?

{Help them pick one that is DO-ABLE}

5A.2) Make a mental picture of it cleared

ASK: Are you in a safe place where you can close your eyes?

SAY: Close your eyes for a moment. Use your imagination to make a mental picture of how you want it to be.

{Give them about 20 seconds}

SAY: OK, you can open your eyes.

ASK: share the picture with me....

5A.3) Understand how it got that way?

SAY: Give a little thought to how it got that way.

ASK: Is there a reason? What was missing?

{Listen. You will learn something about your player here.}

5A.4) Make a plan

ASK: What is the action you need to take to ZAP it?

ASK: When can you set aside the time to DO IT? –

SAY: Knowing that the energy you put into it will be immediately returned to you by eliminating the drain. Let NOTHING stop you. Make it a quest!

SAY: If possible take before and after photos!

5A.5) Celebrate

ASK: What is a small thing you can do to celebrate when it is done?

B) Your 3 MOST Influential People

SAY: Next we will do a scan of the most influential people in your environment. We will start this process now and I encourage you to keep exploring it after our session.

ASK: Do you have the coaching notes playsheet for Session #9 in front of you?

{Coach, adapt the next few lines based on whether or not they have the playsheet}

5B.1) Identify the people

SAY: Think of 1 person that you spend the most time with from: family, friends and colleagues. Write their name on your playsheet / or on the left column of a piece of paper.

SAY: Next think 2 people that you know who are strategically connected in some way that could help you with your dream. Write their names on your playsheet / or in the left column on a piece of paper.

ASK: Do you have them written down?

5B.2) Explore the relationships

SAY: On the Playsheet you see 5 columns: Talk About – Energy – Assets – Request - Support

SAY: Think of one person now for us to talk about together.

Just tell me their initials.

I am going to ASK you 5 questions...

- 1) **Talk About** - What do you talk about most of the time?
- 2) **Energy** - What is the overall energy / mood of this person and relationship?
- 3) **Assets** - What assets do they have that you could leverage better for your dream?
- 4) **Request** - What could you ASK them for that you have not ASKed?
- 5) **Support** - Rate the level of support for your dream on a 1-10 scale (1 distraction / detractor -> 10 maximum supporter)

{Coach: Repeat the questions for 1 or 2 more of the people}

5B.3) Playfully jump into a quick Role Play!

ASK: Let's choose one of these people and one thing or support you could ASK for as a quick role play. What should we do?

{Coach: co-create an option with them.}

SAY: I will be *person X* and you just strike up a conversation and ask for what you want.

{Coach: be playful. And encourage them to just step into it as an experiment.}

{The role play can be 2 or 3 minutes}

SAY: GREAT! You are becoming more playful all the time. How did that feel?

{listen and champion them}

ASK: Based on this exploration is there anything you can imagine doing to gather more support for you and your dream?

{listen and encourage them to own the value of their dream in the world}

SAY: I can see you doing that.

ASK: Alright! We are warmed up now. Are you ready to dive in?

3) GROW from Play

{just keywords now. You know what to say ;-)}

ASK: Important **RESULTS** ?

ASK: Pivotal Moments?

ASK: Biggest **CHALLENGE** & growth opportunity?

{listen and co-create awareness}

4) PRACTICE PLAN

SAY: Our coaching plan for today is called Transformational Play where we combine a role play AND the pivotal moment technique we have done a few times.

SAY: Let's get into our pivotal conversation practice.

ASK: Let's think of a BIG ASK conversation that we can practice right now. Any ideas?

{Coach: Your player will be more acclimated to role play now. But ASKING is one of the most challenging things to do for most people. So you may need to offer a few suggestions for them to choose from.}

5) PRACTICE TOGETHER ~ Role Play + Pivotal Moment

Set up the Role Play

5.1) Define the Situation

ASK: What is the ASK you want to make in this conversation?

5.2) Define the Role

ASK: What role am I playing? Describe the person's general characteristics in 30 seconds.

ASK: What is the person's point of view toward your request?

5.3) Advanced Prep

ASK: What is the superpower you want to practice expressing?

5.4) Play Together

{Jump into the Role Play for a few minutes.
Remember... It's PLAY!!}

{Play the scene in a way that you make it obvious that your player should make the ASK;

{IF needed... raise the challenge level to push their preservation zone}

{Pay special attention to your players energy and flow while making the ASK}

5.5) Time Out

Call time out!

5.6) Level Up

USE 1 of these 2 questions A or B...

A) ASK: How did you feel while making the “Ask”?

OR

B) ASK: It seemed like you were avoiding making the “Ask”. What was happening for you?

{* If your player was experiencing any hesitation, doubt or FEAR, skip down to PM1 the >> Pivotal Moment Exercise}**

{Otherwise keep playing together.}

ASK: How can you express your Superpower more fully in this situation?

{Coach: Share your ideas}

SAY: OK. Let’s try it again.

REPEAT - 5.4 Play Together (Part 2,3 etc.)

{Coach: Try it again. Throw in a few twists as the role player that will evoke your players Superpower to see how your player responds.}

{Coach: Repeat as many times as necessary until you feel your player has confidence for the conversation AND expressing their Superpower.}

5.7) Debrief

ASK: What are your insights from this practice?

{If you didn’t get into the Pivotal Moment Technique, skip down to part 4) Growth Mode}

>> Pivotal Moment Exercise

PM1) Replay the Pivotal Moment

SAY: It is very important that you **maintain judgment-free awareness** during this exercise.

ASK: Are you in a place where you can safely close your eyes?

Assuming they say yes...

Start the Visualization

SAY: Close your eyes, breathe naturally, and take a moment to re-create the scene in your imagination that we were just practicing.

ASK: Can you see it?

{wait for them to say "yes"}

PM2) Review thoughts with Judgment-Free Awareness

ASK: What thoughts do you notice going through your mind?

{Coach Note: Just wait and listen}

PM3) Feel the Sensations in the Body

SAY: Now I want you to scan your body for physical sensations from the top of your head down to your waist. Scan slowly and remain open.

ASK: What sensations are you feeling in your body?

Coach, at this point there are 3 possibilities. They feel nothing, they feel one thing, they feel many things.

If they feel nothing

SAY: that is ok. Often when we experience resistance there is a sensation in the body somewhere. Tune inward. Often it is quite subtle like a little buzzing or tingling sensation.

Go down to D) Share the wisdom of the fear

If they feel many things

ASK: Which sensation is most intense?

Have them choose one thing.

If they feel one thing... ALLOW it to be there

SAY: Bring your full attention to the physical sensation. Feel into it as deeply as you can. ...**{pause}**... You may notice some emotions coming up. Just let them pass for now and focus on the physical sensation.

ASK: Does the feeling have a shape?

ASK: Does the feeling have a color?

ASK: Does the feeling have a temperature?

SAY: OK, now all you need to do is just allow yourself to feel that {temp/color/shape in location} for 30 seconds. Just welcome it, allow it to be there and feel into it as deeply as you can.

{wait...stay silent for 30 seconds}

PM) Memory Pops

ASK: You did it! What was that experience like? Did anything pop up for you?

{just listen}

PM4) Scan for Body Beliefs (not safe for me to)

SAY: Now let's try to find the wisdom in what you are experiencing. Let's explore what this sensation is urging you to preserve or protect.

SAY: Fill in the blank of this statement: It's not safe for me to _____

Coach, co-create with them. Explore a few options together.
Encourage them to honor the wisdom of the "fear"?

PM5) Explore the Superpower Potential

SAY: You know the story of how we got in trouble for expressing our playfulness or unique power; especially when we ask for what we want!

ASK: Do you have an inkling about the unique power or playfulness that may be in the shadow of this belief in your body?

{Listen; help them tease this out; they will need your full presence for this part}

PM6) Make the Mind the Ally of the Dream Intent

SAY: That is excellent. Now let's create a phrase to describe what your Dream wants you do.

ASK: What is your dream asking you to do in this situation?

Coach, co-create them. Explore a few options together. Help them hone in on a short phrase.

*** Back to the Role Play ***

SAY: OK. Let's try it again.

5.4 Play Together (Part 2)

{Coach: **PLAY it again.** Keep it similar to what you were doing before so that they player can experience their increase in clarity and power}

5.7) Debrief

ASK: What are your insights from this practice?

6) GROWTH ZONE

{just keywords now. You know what to say ;-)}

Growth Zone

Learn about your dream?

Learn about yourself and superpowers?

ASK: "How do you feel about our progress in co-creating ways to relate with more power?"

{Coach: listen and share}
