CoachVille Center for Coaching Mastery
We are the champions of dreams!

Welcome!

Welcome to the Play Life Coaching Experience!

Where you will play for our BIG Dream out in the world as you learn how to thrive in the Connected Age of Play.

In this playbook you will find the playsheets for your 12 Session Play Life Adventure.

For each coaching session there is a sheet for notes that follows the flow of the method.

1) A one page sheet that follows the flow of the coaching session with key words and graphics: this is a great place to write your notes from the session.

2) There is a weekly Play Plan playsheet for you to write a few key items of your play plan... and then keep your notes from your experiences as you play in the world.

We are playing in the Connected Age!

Relate for INFLUENCE.

Create for INSPIRATION.

Explore for VISIBILITY.

Experiment for CHANGE.

This practice will help you get into the flow of noticing your “pivotal moments” of play... where you are in the growth/fear zone that you can explore with your coach. This will also mark your trail on the treasure map to your superpowers. FUN!
