

Pursuit of Greatness Game

Exploration #04: What Is Success for You?

Super Easy Instructions:

- 1) Each partner has a copy of this play sheet in front of them.
- 2) Partners alternate reading the question to each other. It is important that you read the question to your partner, rather than each just reading the question to yourself and answering. When someone asks you a personal question it creates a deeper connection.
- 3) When your partner asks the question, just **speak “from the heart”**. While listening, really “tune in” to your partner as they answer the question. If a follow up question “pops up” as you listen, ask it when they are done expressing their answer.
- 4) Enjoy each other!

Exploration #04: What Is Success For You

- 1) How do you define success in your life right now?
- 2) **Would you like to be famous? In what way?**
- 3) Do you have a secret hunch about how you will die?
- 4) **What are you curious about me right now?**
- 5) Based on this conversation, what are 3 things we appear to have in common?
- 6) **Based on this conversation, what is something “YOUUnique” about me?**
