

Contribution – How are you doing? Pursuit of Greatness Game

Contribute to the “Living Book” and game

Contribution: I really value your contribution! Your thoughts and insights about the book, audio and game will help me make it better... and more valuable to the next group of players... and the world.

If you really like something, tell me about it.
If something is confusing, tell me about that too.

So this is kind of both... How are you doing?
And how am I doing?

Thanks!
