

01 – Unleash Your Super Powers – Power Up Pursuit of Greatness Game

In **game item #01** you will explore the Welcome Pages of the Coaching Super Powers book. Pages 2, 4-6

- The Potter’s Wheel a poem by Hafiz
- What a Super Power is
- Coach Dave: the brief back story of a Life Coach

To **POWER UP**, share your thoughts about what you might do with your YOUUnique Super Powers as a player. We’ll talk about your Coaching Super Powers a little later.

Also please share your comments, insights or questions about the book content or audio. Remember, it’s a LIVING book!

The Potter’s Wheel is a powerful metaphor for the coaching relationship. In the book cover image, one pair of hands is playing and creating while the other is coaching by guiding. I love the part about reaching into your tender core and spreading you out, like the morning. I also love the “please stay near to me” part; it reminds me of ALL IN coaching which we will explore together in the book. And then ultimately spinning into LOVE!

A Super Power is a natural ability developed to the point where it has the potential for BIG impact. In the book we will explore the Coaching Super Powers as well as the natural Human Super Powers that a coach can help their players develop. As a player in the game of life, you have Super Powers waiting to be developed.

Coach Dave’s back story includes a piano and voice coach mom, 14 years as an assistant to a hall of fame soccer coach and 5 years as the right hand man to the founder of Professional Life Coaching.

I look forward to reading your thoughts about the welcome pages!
