

4. The Complete Flow Chart of 64 Energies and 36 Channels

On page 5 you will see an Energy Flow chart with all of the Energy and Channel names. These are the 100 Energy Possibilities that we will explore in Superpower School.

On the Gamecard

A **POWER UP** is an activity where you listen to an audio, read something or do an exercise and then share your insights.

Share your questions!

Based on these sample guides AND any of the activities in the Superpower School Discovery game, please ask any questions that you have about Superpower School!

Share

WHAT TO SHARE: Share your questions about anything you have experienced in the Discovery Game.
